An outstanding tire value at its regular price—now even more of a buy during this time of savings! Hudson's own Custom-Line features a special super-syn tread to wear longer and give better traction and skid resistance in all kinds of weather from hot to cold. These 4-ply nylon tires have a stronger cord body that's more resistant to bruise-breaks, and a modern 5-rib tread with big edge to put more rubber on the road where most wear occurs—on the outside edges. Hurry to the Hudson's Car Care Center nearest you—get your set while it's specially priced. We're open from 8 A.M. till 9 P.M. on Mon., Thurs., Fri., Sat.; till 5:30 on Tues., Wed.
