This Week's New Teacher Personality

Although most of the boys haven't bothered to notice, in addition to Miss Cooke and Miss Richardson, we have three new men teachers, also. One of these is Mr. Alfred Cronheim. We have gathered up his life story and were passing it on to you. Mr. Cronheim was born in Grand Rapids, Michigan, on October 3, 1922. After earning his diploma at Grandville High School, he went on to Hope College. At Hope he obtained an A. B. degree. This is his first year of teaching except for a half year at Holland, Michigan. His job here includes four classes of Biology, and one of physics. He also instructs the boys in cross-country after school. Mr. Cronheim has been married since 1945 and has two children, quite "bash" girls, of course. His oldest daughter has reached the age of five, and his youngest is but two months. His favorite sport is golf, but as to hobbies, "he likes them all." A. A.

Senior Class Ends Busy Week

The recent contest between the boys and girls, regarding the sale of magazines, ended unfavorably for the girls. The final score showed the boys leading by a margin of only 25c. Phyllis Brown and Clyde Hobbs were credited with selling the most magazines. Since the agreement between them was that the losing side was to give the other a party, it will be forthcoming. The seniors had their pictures taken Thursday and Friday. At their last homecoming meeting the seniors elected a committee to find a name for their coming dance. Mr. McKittick will accompany the seniors on their senior trip, along with their sponsors. The seniors received a card from their former sponsor, who said word that she was enjoying Ohio scenery. N. M.

Millard Attends Principals' Meeting

Mr. Max Millard attended a meeting of high school principals at the "Chicken Dinner Restaurant" in Garden City on October 25. Principals from 16 Detroit suburban area high schools were present. The chairman of the meeting was Rupert Walters of Garden City.

The topics of the day were: "Improvement of Teachers' Meetings", and "Planning School Assemblies". Don Betard, principal of South Junior High School in Wayne, led the discussion on the first topic. The second was led by James Balton, principal of Allen Park High School.

Principals exchanged lists of various subjects offered in their schools. The next meeting will be held November 16 at the "Colonial Inn", Garden City. R. R.

Miss Richardson Attends U-M. Debates

On October 14 Miss Richardson, debate sponsor, attended a debate at the U. of M. This debate was held in hopes that the high school debaters of Michigan might pick up points for their own debates. Because of transportation difficulties, our debate class could not attend. However, Miss Richardson brought back the different points and information that the debaters discussed.

Our debate teams consist of Audrey Kennard and Jane Rutilla on the affirmative, with Meribah Meyer as alternative. On the negative team is Bob Garwin, with Nancy McCarville and Annie Allan as alternates. Because of outside activities, Jean Cashman, a third year debater, will not actively participate, but will help the new members with their briefs. A. A.

U. Of M. Invites Cheerleaders

The cheerleaders of Farmington were invited to attend a cheerleading clinic on November 11 which is to be presented by the University of Michigan. The purpose of this meeting is to help the cheerleaders recognize their responsibilities in helping develop good sportsmanship and good citizenship at athletic events and assemblies.

The conference will begin at 10 a.m. and consist of instruction given by the University cheerleading squad and their instructor, Mr. Newton C. Loken. In the afternoon all cheerleaders will participate with the University of Michigan bands and in the cheering during the game. Miss Meyers and Mr. Selke will act as chaperones. P. N.

Clarenceville Ready For League Council

In the meeting of the Student Council on Friday, October 27, it was decided to have ice cream and cookies for the meeting of the All-League Council. All members of our council will be present to host the other schools.

Teachers and several class members have complained about the mess after selling candy and ice cream. The council took action to get students out of class 10 minutes to clean up the area.

A committee appointed will work on the constitution for the All-League Council to be presented at the next meeting. R. R.

Committees Add Finishing Touches

Plans for the annual J-Hop are now in full swing. The date for the semi-annual dance is November 11, and is to be held in the Clarenceville gym from 9 to 12. The price is only \$2.00 per couple. Music will be furnished by Paul Berry and his orchestra. The name for the J-Hop has not been selected.

The general chairman for the various committees are: decorations, Levis Boling and Jean Cashman; refreshments, Leo Chandler; advertising, Gary Rozenboom and Ray Wellman; tickets, Roy Grace; and orchestra, Doug Gault. S. S.

FRESHMAN NEWS

On Wednesday, October 25, the freshman class had their home-room meeting. The secretary and treasurer's reports were read. The class voted to sell bananas. C. W.

Benjamin Franklin became the publisher of the Pennsylvania Gazette in 1725, second newspaper established in Pennsylvania.

The New England Courant, started by James Franklin in 1721 was supported editorially by a group known as the "Hell-Fire Club." P. N.

Forest Fires Increase For First Time in Weeks

Forest fires increased last week for the first time in a number of weeks, the conservation department warns. A total of 34 fires damaged 414 acres in nine of the 12 forest fire districts in the state.

Hunters and others out in the woods and forests are asked to be careful with cigarettes and camp fires.

Warm Weather Fools Game Area Grouse

Recent spurge of warm weather has fooled ruffed grouse in the state game area at Danville. Conservation department game men report some wing drumming and strutting, part of the odd spring mating ritual of the cocks.

Grouse are more thickly concentrated upstate but also were abundant in southern Michigan region before intensive farming started.

Judge it on DURABILITY...DEPENDABILITY

It rides more smoothly
Take one ride and you'll agree that Chevrolet is the smoothest riding car in the entire low-price field. It's the only low-priced car combining the famous Unitized Knee-Action Ride and airplane-type shock absorbers all around.

It operates more economically
Owners will tell you Chevrolet's famous Valve-in-Head Engine, exclusive to Chevrolet in its price range gives an outstanding combination of thrills and thrift, plus proved dependability, year after year.

It's better looking all around
Outstanding good looks accompany the outstanding performance of Chevrolet cars — only low-priced car with Body by Fisher — and most beautiful in its field, according to a recent public survey.
*Optional 100-hp. Engine optional on De Luxe models at extra cost.

It drives more easily
Enjoy finest no-shift driving with Power-Glide Automatic Transmission* and 105-hp. Valve-in-Head Engine — or finest standard driving with standard Valve-in-Head Engine and Synchro-Mesh Transmission — at lowest cost.

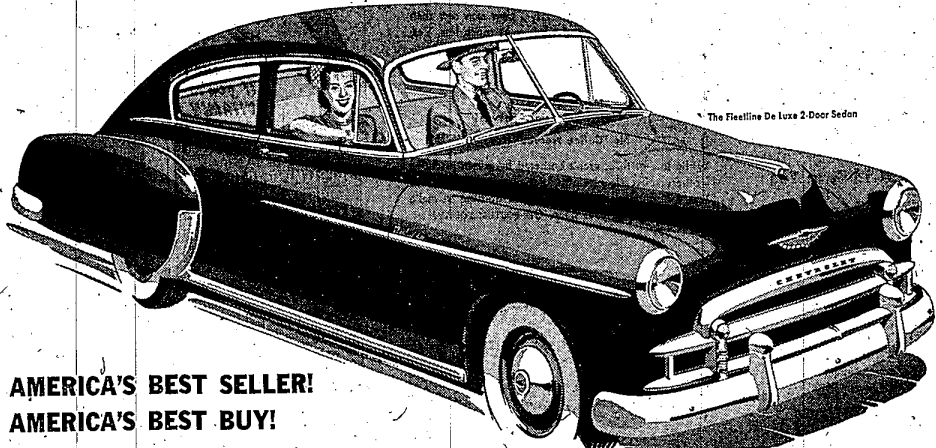

It lasts longer, too
Many Chevrolets are giving full satisfaction after having served ten, fifteen, twenty years or longer. That's one reason why there are over 6 million more Chevrolets on the road than any other make.

It gives more for less throughout
More for less! More steering ease, thanks to Center-Point Steering. More all-round vision, thanks to a Curved Windshield with Panoramic Visibility. More safety, thanks to Fisher Unisteel Body-Construction and hydraulic brakes. Come in — today!
