

For a death-to-moths prescription for storing woollens, wash or clean them before storing. Brush them well — pockets inside out, cuffs down, collars up — and hang in the bright sun. Store them in an air-tight place.

If you have trouble with skirts bagging in back, choose or make a style with two or three gores across the back. They do not have the tendency to bag that a narrow skirt cut in two pieces — front and back — does.

Spanish Classes Give Noon Program Friday

The "Buenos Amigos," together with the Spanish II class, gave a short program on the Friday noon talent show November 3. The program opened with a typical Spanish greeting, "Hola, amigos," (Hi, friends!) by Ginger Fryhoff.

The first part of the program consisted of a pantomime of the "Buro Socarron" (The Sly Donkey). The actor (the man) was played by Gary Walters, el burro, (the boy donkey) Larry Plink; and la burra, (the girl donkey) Gabriele Muhling. Next was the song, "Rancho Alegre," sung by the senior class of the Spanish II class with Bill Kingley as the tenor.

A group of six couples then performed "La Rumba," a popular dance in Mexico, which is rapidly spreading in the United States.

Here And There With The Alumni

The alum seems to be getting quite a few of the latest. Latest reports say that Bill Packard and Bob McLean have been called. They are stationed at Fort Sheridan now, but expect to be transferred any day.

If you saw John Buck around last Thursday and wondered why he was in Farmington, it was because he had come home to put on the storm windows. Bud Bryant was home last week end also.

A lad that used to render piano selections at many assemblies last year, Tom Clifford, is attending Michigan State College. He is taking up business administration. At Heidelberg College, Lee Tyler seems to be getting along quite well, for he has been elected president of his Freshman class.

More College news comes our way from Denison. Sally Stuntz is now a member of Kappa Kappa Gamma. Betty Gerda is studying nursing at Ford Hospital. Arlene Fulka and Bob Schroeder have set their wedding date for April 2. Shirley Shaw has a job near food. Smart gal! She is working at the A & P market in Redford. Bruce Treweek decided that it was much easier to take a shower and do his laundry separately when the boys in Winchell House threw him in — clothes and all. J. H.

J. V. Football Team Defeats Howell, 7 - 6

The Farmington Junior Varsity won their third football game Tuesday, October 31.

Farmington scored in the second half on a 65 yard run by Dick Brady. Brady dropped back to throw, but could not find a receiver, so he ran for the touchdown. Jim Taggart went over the goal line for the extra point.

Howell also scored in the second half but the conversion was not good. V. S.

English, Speech Students See Shakespearean Play

Eighty-six students and six teachers attended the November 3 performance of Shakespeare's "A Mid-Summer Night's Dream".

The comedy was presented at the Lydia Mendelssohn Theatre in Ann Arbor by the University of Michigan's Department of Speech. The performance included the Little Symphony, choros from the Opera Workshop, and choreography by the Department of Physical Education for Women. C. G. M.

The Boston News-Letter, first successful American newspaper, had a circulation of 30 after 25 years of publishing in 1719.

High School Library Club Accepts Orders For Books

Since the week of November 15 is National Book Week, the Library Club has made plans for the occasion.

During this week one hundred books will be displayed in the library where the students and teachers will have an opportunity to order them.

These books may be ordered at regular purchase prices from any of the Library Club girls or the librarian, Miss Brandenburg.
