WASHINGTON MERRY-GO-ROUND

(Continued from Page Two)

1950, Carolla was picked up in New Orleans, right back in his old stamping ground.

SECRET MAFIA ROLL CALL

Here is the bittersweet unpublished roll call on some of the Mafia leaders, their families, and members of crime in the United States:

FRANK CAPPOLA, alias "Three-Fingered Frank" in New Orleans, was prominent in the New Orleans Mafia, then showed up in Kansas City, where he was linked with the late Charlie Binaggio. In fact, Binaggio aided Cappola to escape deportation in 1930 but failed. Cappola was deported but came back again, in May 1949, when he got on his \$2000 parole bond.

Cappola set up headquarters in Tijuana, Mexico, and in 1949 Binaggio made an interesting trip to Mexico, stopping off to visit Cappola in Tijuana and Carroll in Acapulco. Once the Tijuana chief of police, Francisco Kraus, raided Cappola's headquarters in a Tijuana motel, and found him with Frank Bonaperto, a San Diego tavern owner and business associate of Jack Draper, boss of the California Mafia.

TEXAS GAMBLING LORDS

JOE DI GIOVANNI, alias Joe Maceo, before 1920, Maceo was a humble Galveston barber. But he broke into the bootlegging racket, graduated to dope smuggling, then muscled into the gambling racket, and now, towns Galveston and Mexico have two Maceos. Maceo is still a power in Texas politics. Born in Italy in 1894, his criminal record shows no convictions, only an acquittal on a New York narcotics rap October 24, 1942.

BIAGLIO ANGELILICA, House

ton—the Maceo's subordinate in the Mafia, has been linked with Maceo in narcotics smuggling, was sentenced to 10 years and fined \$2000 on a narcotics rap at Houston, October 24, 1942, and sentenced to another eight years' imprisonment, 773,690 words, 31,173 verses, 1,159 chapters, and 66 books. The word "and" is used 46,277 times. "Lord,"

the Boston tea party was planned in the back room of the Boston Gazette.

SUNSHINE LADY GIVES PRAYER FOR SHUT-INS

Lord, help us, that we may help another. Enable us to bring cheer where cheer is so badly needed, to shut-ins like Mrs. Mary Llewellyn C. Baldwin at the Wayne County Hospital, Elkhorn, Michigan.

Or to Danny Mack, 5351 Irongate, Detroit 13, or Mr. Fred Kirk, 48 St. Parke Street, Pontiac.

Miss Jenny Lynch, 14016 Tacomas, Detroit 5, has been in bed 17 years. Those years in bed have not made her bitter, but more understanding. Give her the strength that soon she may be able to go out and enjoy life with other young people. Satisfy her yearning to help the young lad in church.

Help the young lad from Farmington who wrote, that his parents do not want him to go to Sunday School. He asked that I help him know God through this paper.

I wonder, how many people have stopped to think of how wonderful this paper has been? A Detroit doctor who reads this column each week has been a Sunday School teacher for 20 years. His people should be grateful for giving me the privilege of adding something along devotional lines.

As for the boy, there is nothing that can take the place of a church and a Sunday School. But if one's parents do not want him to go, it's wonderful of him to stay with his parents and at the same time honor them and the church.

Once a Sunday School teacher, she started a wreath for his secretary and year without missing a Sunday School.

Many times due to his illness the only time he left the house was the hour he spent there. So I asked him if he were in that boy's place, what would he like to know?

And he said, "Mother, first tell him about the Bible, because perhaps his parents have never let him know about it."

What an order!

What the Bible contains something like

"Lord,"

1,855 times, "Selah" 72 times in the Psalms and three times in Habakkuk, and "reverend" once.

The middle verse of the Bible is the eighth verse of the 118th Psalm. All of the letters of the alphabet except "I" are contained in the 21st verse of the seventh chapter of Ezra.

Two chapters in the Bible are alike; Chapter 19 of the Second Book of Kings, and Chapter 37 of Isaiah.

The longest verse is the ninth in the eighth chapter of Esther; the shortest, the 35th in the 11th chapter of John.

The shortest goodness, pure and courage, spreading courage is an accomplishment we should all take part in. We should live as individuals. We should control

Rifle River Watershed Project Quits For Winter

The first phase of the conservation department's post-war project to develop the Rifle River watershed ends November 15. The five field crews will continue construction and planting work next spring.

Seven flood control dams near headwaters are about finished. Similar dams to prevent flooding and erosion are planned in drainage areas of Wilkins and Klaacking.

our tongues so that we may not hurt a neighbor or friend.

Bird in hand that's a Beauty

and a Buy!

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick ever built.

Ever since early in the present year, a value-wise public has been taking them away from us as fast as—or faster than—the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor—Buick's own high-compression Fireball—which gets its driving power from a combustion chamber found in no other car in the world.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drive—a comfort combination that no other car provides.

It has Dynaflow Drive—which ushered in a whole new concept of effortless travel.

It has a brilliant styling which sets it apart from every other car on the road.

And it has prices which say "buy me" to any motorist who's looking for maximum money's worth.

Isn't it sensible, while these great cars are still coming off the line, to check with your Buick dealer about getting one to call your own?

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Only Buick has Dynaflow—and with it goes:

HIGHER COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER model); NEW-PATTERN STYLING, "double bubble" tailights; WIDE-ANGLE through fenders; close-up road view both forward and back; VISIBILITY, close-up road view both forward and back; **TRAFFIC-SIZE**, has over-all length for easier parking and garageing; short turning radius; **EXTRA-IDE** parking and garageing; soft tuning radius; **SOFT RUCK BUMPS**, seats cradled between front seats; **SOFT RUCK BUMPS**, ride-stabilizing torque tube; **WIDE ARRAY OF MODELS**, from all coil springing, Safety Ride rims, low-pressure tires, ride-stabilizing torque tube; **WIDE ARRAY OF MODELS**.

When better automobiles are built BUICK will build them
