THE BLUE AND WHITE

COUNCIL MEMBERS ATTEND MEETING AT ANN ARBOR NOV. 8

Three representatives from Farmington attended the convention of the Michigan high school student council held in the Rackham Lecture Hall at Ann Arbor November 8. Jim Bates, Jerry Plum and Rita Christian were the three Farmington delegates. Mr. Oliver acted as Farmington's faculty representative.

The purpose of the meeting was to discuss problems concerning ways of improving the many student councils.

The 1000 students present first attended a general assembly where they heard speakers on various subjects. Then the delegates were divided into 14 discussion groups. The questions discussed within these groups were ones in which various schools throughout the state expressed interest.

Some of these questions were: What can the student council do to improve student relations? Should a student council be expected to raise funds for support of school activities? Should the student council undertake law enforcement in the school?

Later the 14 groups were again brought together and the chairman of each group presented the ideas to the rest of the students.

The questions discussed and the different viewpoints expressed on each will be compiled in a pamphlet and circulated to all the various high schools in Michigan.

Here And There With The Alumni

The week end before last was homecoming at Farmington, so to speak. Lee Tyler was here from Heidelberg. Donna Bryan, Bruce Troweck, Tom Sechler, and Dave Robertson were home from the University of Michigan, and George Barrons and Dick Louns from Michigan State.

Judy DeLong is now an "invalid". She took her first trip to the Minnesota - Michigan State game.

Other news from East Lansing is that George Barrons had a whole page devoted to him, including a note of some fraternity paper at the college.

When the Journalism class and the Yearbook staff went to Ann Arbor two weeks ago, some of the seniors talked with Fred Allen, Jack Boyce, and Bruce Troweck. They seem to approve of college life wholeheartedly.

Two Farmington High students now in the army are stationed at Camp Fork in Louisiana. They are Bill Packard and Bob McLane. Eric Tyler is somewhere in Korea.

Boys' Bowling Standings Remain Unchanged

After bowling Wednesday, the League found that the standings were still unchanged.

They are as follows: Runaways, first; Pin Crackers, second; Gutter Guys, third; Rolling Timbers, fourth; Lucky Strikes, fifth; Pin Kings, sixth.

Individual high games were rolled by Thompson, 197; Jones, 189; Alexander, 163.

High series were Jones, 490; Alexander, 445; Thompson, 431.

Bob Byrds leads the bowlers with 135 average, followed by Jones with 133.

Junior High Boys Begin Basketball Practice

Seventh and eighth graders have begun basketball practice under the supervision of Coach Hossler. Practice begins at 7:30 a.m. and continues until 8:30 a.m., three days a week.

Mr. Hossler is attempting to rechedule some games before Christmas, but as of now the first game is scheduled to be played at Keego Harbor on January 5.

The judges were Miss Lingo, Mr. Hutton, and Mr. Oliver.

The contest was judged on the basis of marching ability. S. M.

Oakland Lions Club To Award Trophy

The Oakland Lions Club will award a football trophy each year to the champion team of the Inter-Lakes League.

The winner will hold the trophy until the following season or until defeated for the championship.

STUDENTS MAY BUY SEASON TICKETS FOR BASKETBALL GAMES

Students will have a chance to buy season basketball tickets this year. This was decided at a meeting of the Athletic Association on November 15. Adults may buy tickets for single games only.

To accommodate persons desiring individual tickets before game time, the high school office will have tickets for sale on the day of each home game.

Student season tickets will be accepted only at the west door of the gym. These tickets are not transferable. If they are lost, they will not be replaced; nor will the student be admitted.

The doors will be opened as usual at 6:15, and tickets will be sold until the end of the third quarter of the varsity game.

Mr. Nuse was appointed to prepare the annual student - faculty basketball game. The proceeds will be used to purchase new football uniforms. J. L. G.

Seniors Think Ahead; Select College Of Choice

After investigation of courses offered in various colleges, several seniors have already chosen the school in which they intend to enroll.

Jim Keck will enroll in Central Michigan University at the Michigan State game.

Mary Ann Dunham tentatively plans to enter Ford Hospital in the fall to take up nursing.

Jerry Plum and Smokey Anchberger hope to go to the University of Michigan and eventually the medical school. Other seniors interested in attending the University of Michigan are Alice Miller and Mary Weaver. Mary will take up library science. Alice will prepare for law school.

Gabriel Muhling, Judy Henry, Ann Cunningham, Sally Lutz, and Rita Pieren have selected Michigan State College as their choice. They like the courses offered and the campus.

Fay Jones is planning to enter U. C. L. A. He has relatives living in California and thinks it will be a good opportunity.

Many of the seniors still are undecided as to the college or university they will attend. N. H.
