

Air Force Enlists Men With Dependents

The Air Force is accepting married men for enlistment now, according to recruiters from the Army and Air Force recruiting station at Grand River and Southfield.

"Men, with or without prior service, who have no more than two dependents, may now enlist," recruiters announced. In addition, they disclosed that men with prior service in any of the Armed Forces who are eligible to enlist in the grade of Sergeant or higher, may enlist without regard to the number of dependents they have.

Synthia, little daughter of Mr. and Mrs. Roy V. Songer, is getting along nicely after the stitches on her chin were removed Monday. She was injured while playing.

Mrs. John German and Mrs. H. Powell gave Mrs. Richard Williams a shower Friday evening at the home of Mrs. H. Powell of 14 Mile Road. About 20 ladies partook of lunch, after which games were played. The gifts were wheeled in on a beautiful pink baby basket.

Little Susan German, daughter of Mr. and Mrs. John German, and Patricia Sierra, daughter of Mr. and Mrs. Walter Sierra, handed the gifts to Mrs. Williams to be unwrapped.

Mrs. Ivan Graham entertained several little boys Sunday afternoon.

THREE FACTORS CAUSED CLOSE RACE FOR GOVERNOR

The hotly contested gubernatorial race in Michigan this year can be attributed to three main factors, according to a University of Michigan political scientist.

Dr. Samuel J. Eldersveld, assistant professor of political science, listed these reasons as contributing to the close election: 1) the high participation at the polls throughout the state; 2) a higher urban and metropolitan turnout than normal for an off-year election; and 3) the considerable support given the Democratic candidate in the rural upstate counties.

He indicated that participation in the present election fell behind the 1948 total gubernatorial vote by only 140,000. That the high participation proved an advantage for the Democrats can be realized in view of a 1948 study conducted by the University's Survey Research Center, which showed that 65 percent of the eligible non-voters throughout the nation is a group with definite Democratic leanings, he said.

Professor Eldersveld pointed out that the high off-year Democratic turnout in Detroit and Wayne County proved to be a crucial factor in the election. This contrasts sharply to the 1942 and 1938 election when Van Wagener and Murphy, both incumbents, were defeated primarily by virtue of the low metropolitan Democratic vote, he explained.

Callers on Mrs. Hoyt Shancour last week were Mrs. Donald Watson, Mrs. Elmore Pearson, Mrs. Henry Dost and Mrs. C. R. Hobbs of Redford Township.
