

Larry Gilson Joins Honor Fraternity At Ferris

Larry Gilson, son of Mr. and Mrs. Louis Gilson, 31205 Grand River Cut-Off, became an active member of the Beta Chapter of the Arm of Honor Fraternity, Ferris Institute, on November 9, 1950. After six weeks of extensive pleading, he was offered this membership.

On November 21 he was elected

to the office of Chaplain.

Larry graduated from the Farmington High School in 1950. He then entered Ferris Institute at the beginning of the Fall Term where he wishes to obtain a degree in Pharmacy. While at Ferris, he has been active in the marching band and chorus.

To haul the 1,732,000 tons of steel for which the American trucking industry each year furnishes a direct market would require a freight train 350 miles long.

Terry McMillan, fifteen-year-old grandson of the Magners, with whom he spends so much of his time, returned safely to his home on Mark Twain Avenue, Detroit, last Tuesday. Two weeks ago Terry accompanied an older friend on a sightseeing trip to New York City. He expected to be back last week end, but Saturday he called, saying that because of a heavy snowfall they were held up near Pittsburg. His experience is one that he'll probably enjoy telling his grandchildren. With dozens of other refugees from impassable highways, he slept on the floor of an old farmhouse, where the only food was plain boiled oatmeal, washed down with black coffee. Terry made a friend of the farm-dog, who it is suspected, slept with and helped keep the boy warm.

This last week Mrs. Ervin Bohlinger of Mayfield Avenue received word from her soldier son Don, with the 2nd Division in Korea. The letter was dated November 10.
