# **GOTTA SPARE DIME?**

Why doncha bring it and come on down and put it in our polio can? You know it's the March of Dimes. Now a dime aint gonna buy very much these days but it might help someone that's got this dreaded disease. We got a polio can on each counter and we'd sure like to fill 'em. Won't you help??

You know those guys what tell us what we should eat every day say we oughtta have an egg to git our vitaminneys. Now's a good time to start that cause we got some of those strictly fresh eggs from our favorite farmer fer 69c a dozen. These are big eggs, too — and somethin' else. You know we've bin gettin' eggs from this man fer over a year now and we aint never had to replace one cause it was bad. Aint that a record? Then fer more vitaminneys we're supposed to have fruit. If yer tired all the time like us it's easier to drink the juice than it is to sit and chomp the real stuff — so why doncha grab off a few cans of 46-oz. citrus juice fer jest 39c a can. The price is right — doncha think? Doncha think it's about time you got around to tryin' Conroy's coffee? We'll grind it fer yuh and fer 75c yuh can git a pound of it. Will one pound be enuf fer a whole week? Even if commany comes? many comes?

What'll you have? — Pabst Blue Ribbon — no — that aint right—What'll you have — a roast or somethin' fer lunches? If it's fer lunches why doncha git some of that corned beef loaf? You know it's mighty tasty and it's the stick-to-the-ribs type of lunch meat. To git cha to try it we're sellin' this corned beef fer 59c a lb. Now about the roast—right here we got some rib end pork loin roasts fer 39c a lb. Nice — aint they? And up here is a pile of shank end smoked hams fer 59c a lb. Wanna few slices cut off fer fryin'? Now if you aint one of these gals that make yer own pie crust you don't need to read further — you can go start supper — but if you like really rich pie crust why doncha try makin' it with our own open kettle rendered lard? We really have some fer 19c a pound. You pie crust makers from way back know that's the stuff that goes fer makin' good crust — doncha?? the stuff that goes fer makin' good crust — doncha??
