Floral Park News

By MRS. J. SHAUGHNESSY
PHONE 2815-M

Somebody is coming to your house! Board members of the Floral Park Civic Association are beating the sidewalks again. This time they'll be handing the spring dance tickets through your door. (For a small fee, of course). They will be ringing your door bell either this week or next, so be ready for them.

In the meantime, if you are planning any celebration in connection with the dance, we would appreciate your calling in your guest list. The telephone number is the one above.

Richard Matthias, 15 year old son of Mr. and Mrs. Grifton Matthias of Floral, reports fishing wasn't too good at Sandusky last week. Dick tried out the rod and reel off the Sandusky yacht club dock but his enthusiasm failed when Lake Erie has failed to yield even a little one. The Matthiases were week end visitors at the home of Mr. Matthias's father and sister in Sandusky.

When Detroit friends heard that the Hugh McDonalds of Toronto were visiting the Arthur McNamara residence on L'lae Sunday, they flocked to Farmington. Mrs. McNamara thinks there were 15 guests in all and added that it was quite a reunion.

Mrs. Roland Isaacson and Mrs. Norman Morrell, both of Floral, attended the formal initiation dinner of the Sigma Alpha Sigma sorority Thursday night. The affair was held at the Elmwood Inn in Canada.

Gynthia Walker is home again. The three year old daughter of Mr. and Mrs. Harvey Walker, Floral Avenue, gave up a pair of tonsils at New Grace Hospital last Friday and arrived home Monday after an exciting week end.

"A trip back to the old home town is always such a wonderful experience," Mrs. John Nadeau of L'lae Avenue stated in our little phone conversation Monday. "But it sure is good to get back home to Farmington!" The old home town in the Nations' case is St. Louis, Missour. They returned to Farmington Saturday after a week's visit there with their daughter, Mrs. John Hughes and family.

Leroy "Bucky" Porterfield is having a little difficulty fighting off the old flu bug. The six year old son of Mr. and Mrs. Earl Porterfield, L'lae Avenue, is anxious to get back to his kindergarten work at Ten Mile School.

Both sets of grandparents, Mr. and Mrs. Warren Perkins, Plym-

**Who said You can't Afford
a Fine Car?**

WHEN you look at everything a ROADMASTER has to offer, it's natural to conclude that it's priced with the rest of the fine-car field.

Sweeping proudly past you, it has a distinction that few cars can equal.

Stepping nimbly away from a stop light, it has the willing surge of power that the very exclusive combination of a 152-horsepower Fireball engine and Dynaflo Drive* delivers.

It rides the road with majestic smoothness, and comes to a smooth and gentle

halt, in response to the finest brakes that Buick engineers ever developed. Inside, it has spacious room, from side to side and front to back and seat to roof—plus a softness of cushions and a richness of fabrics which bespeak the custom standards to which it is built.

All you could want in a fine car is here in abundance.

But don't let that mislead you into

deciding "it's too rich for me."

If you've looked into 1951 car prices generally, you'll discover this:

You can own a ROADMASTER for just a shade more than an ordinary car will cost—and for several hundred dollars less than the price tags usually found in "the fine-car field."

Why not look into this today?

Equipment, accessories, trim and models are subject to change without notice.
