G. A. A. Chooses Theme For First Banquet

The Girls' Athletic Association, which is holding its first banquet since organizing, has picked a theme on which the program will be based. The theme chosen is "A Pretty Girl is Like a Melody." The banquet will be held May 10 in the gym, and is to be a formal dinner.

A committee, consisting of Elinora Hazen, Ruth Robertson, Sue Palor, and Shirley Marsh is working with Mrs. W. Mummary, the home economics instructor, planning the meal and the minor details of the banquet.

A suggestion of buying a club record book was offered and agreed on by the members. This book will be an accumulative record of all girls that have been G.A.A. members. It will be continued from year to year.

Softball, Track In After-School Program

SPRING BRINGS SHOCKING COLORS TO FASHIONS

Oh, Brother! Here comes Spring and where would Spring be without white buckskin shoes with jeans and bright plaid jackets. I hope the feminine eyes can stand the contrast made by the shoes and hats that are appearing.

Yes! It is very common these days to look up and see a group of orange, fuchsia, chartreuse and shocking pink hats walking down the street toward you.

The girls have taken advantage of Spring by changing blue jeans to black and by wearing bright windbreaker jackets to compete with the boys' hats.

From the looks of things the boys had better learn to square dance because the girls are going in for full circle skirts with bright colors or scenic patterns on them.

The feminine touch is clearly shown this Spring by the ladies' hats which have veils in the back, front, and even under the chin. For Sundays the girls' eyes will soon turn to cool white and pastels. The boys will also see those summer backless, strapless skirts, excuse me, I mean dresses, that were prominent last year.
