Pre-Registrations To Be
Held May 21 To May 24

The pre-registration schedule for the next year will be held from May 21 - 24. This period is devoted to each student in grades nine through twelve. Sponsors of each class will have a school office record of each student to advise him on the type of work he would be best suited for. A description of each course will be given to the student to help him select the field he desires to enter.

The faculty feels that by this method of counseling the student will achieve more out of his curriculum.

SENIOR STARLIGHT

Oh look! There goes intellectual Donald Jones down the hall. Quite an interesting fellow. He's 5' 11", weighs 155 pounds, has brown hair, blue gray eyes, size 9 feet and a 27" chest.

Mr. Jones is a great music lover. His favorite song is "Shoutin' Boogie" and orchestra is Mr. Markoff and his Clarenceville Band. His pastime is sleeping and time of day is noon, but he manages to recover from his afternoon siesta in time for his favorite subject - World History.

Don has a mad, passionate attention to watch "Uncle Miltie", while he does what does eat? Potatoes? Potato chips? Pretzels? No, spaghetti and meat balls. (Oh well, why be like everybody else?) But like many others Don loves baseball, both to play and to watch. His greatest ambition is to graduate and his pet peeve is people, so I'd better run along before he finds out that I'm a specimen of the human race.

As the other half of the Senior Starlight, we have someone almost as notorious as Don Jones, almost. This person is 5' 5" tall with brown hair and very pretty blue eyes.

Her favorite topic is - men, and her ambition at the moment is to land a certain one named Chuck. Her favorite hobby is roller skating. She distinctly dislikes "people who talk about her, behind her back or in front of her, (she's not particular) and also people who tease her.

Her pet peeve is girls with short hair who don't look good with short hair! That's why she wears her's long.

Her favorite song is "Please don't talk about me when I'm gone". Her name is May Ann McCarville.
