## IMPORTANT CHECK YOUR WINDSTORM POLICY

Unless you've increased your Windstorm Insurance lately — you should do so at once. Each day we are confronted with increased costs and increased prices. Should your buildings be damaged or destroyed today it would cost more than ever before in the history of this country to replace them.

And — our low cost rate for **WINDSTORM INSURANCE** is the same rate to our members that it was Twenty Years Ago.

For Sound Windstorm Insurance Protection see your local Michigan Mutual Windstorm Insurance Co. agent.

## WESTERN THEME HIGHLIGHTS DANCE "THE LAS TROUNDP"

In a colorful western atmosphere, students danced at "Last Roundup" Saturday. Decorations and entertainment stressed the theme. Decorations were typical of what one might find out west, such as horseshoes, cactus, corals, brands, sage brush, horses and life size cowboys on the walls.

For entertainment the freshmen presented a western bar room skit. The card players were T. Isley, G. Walters, R. Goulet, R. Goors and N. Maki, trying to sing, "There's a Tavern in the Town". Blues singer Lynn Groves then came on stage and sang "St. Louis Blues". The next scene involved a fight between the villain "Dangerous Dan", John McCafferty, and the hero, Alan Alexander, over Kathleen Hare. During the fight two cowgirls, Ruth Zingeman and Shirley Wilkenson sang "Fudlin' Fussin' and a Fightin'".

Two waitresses, Mary Ellen Wilson and Shirley Schoenlein, sang "Tumbling Tumble West". Lee and George Haskins, as guest waiters, played several numbers on guitars.

Pop, pretzels and ice cream sundaes were served in the cafeteria. The advisors, Miss Bailey, Mr. Pol, Mr. Nuse, Mr. Mansel and Mr. Birch chaperoned the dance.

## Lack Of Class Support Cancels Senior Trip

The Trip Club voted to cancel the Senior Trip scheduled for May 27 to Mackinac Island.

The thirteen members voted to disband because of poor support of the class.

In commenting on the cancellation, Mr. G. V. Harrison, high school principal, said that he felt that thirteen students out of eighty-six was too small a percentage to represent a class on a class project and that the school would not be justified in sending teachers.

He also said that a small group tends to break up the morale and democratic spirit of the class, and it is the public schools' intention to keep the spirit as democratic as possible. A. C.

## OAKLAND LIONS TO SPONSOR DANCE FOR H.S. STUDENTS

The Oakland Lions Club will sponsor the Falcon-Viking Rumble May 1 at the West Bloomfield Hall.

This dance is being planned in order to find out if the teenagers of Walled Lake and Farmington have enough interest to merit the Lions starting a youth center in each town. If 150 students from each school attend the center will be started. If not, the plan will be dropped.

Johnnie Prich's orchestra will provide the music and the tickets are twenty-five cents each. They are available at school. The project is not intended to make money, but for the benefit of the students. Many Farmington students have been participating in the last few years for some club or organization to sponsor a youth center. C. G.
