DISCUSS PLANS AT FIRST SPEECH CLUB MEETING

The first meeting of the Speech Club was held Tuesday, September 17. Members are Tom Hartford, Barbara Westlake, Meribah Meyer, Annie Allan, Ruth Robertson, Joy Garbin, Sharon Moreland and Karen Russell.

Plans for the year were discussed. Already the members are dividing into teams for debate. The debate question for the year is "Resolved: That all American citizens should be subject to conscription for essential service in the time of war." This may sound like Greek to you, but really it is important in your future. The question means that every woman and man in this country will be under the government and subject to draft not only into the Army, but into the factories and all sorts of war work in time of war.

Besides debating the club will study dramatics and have plays and assemblies. Other projects will be a dance and practice debates with Farmington. New members are welcome. Time of initiation will be announced later.

Open Clarenceville School Library

Wednesday, September 19, Miss Mary Ann Richardson opened the library. She hopes that all students obtaining passes may feel free to use the library. Any student may acquire a pass by asking Miss Richardson for one, have her sign it, then take it to the teacher for whom the assignment is being done for his or her signature.

No new rules have been added this year, but last year's rules are being carried out more successfully.

Miss Richardson plans to purchase new encyclopedias in the near future.

Cross Country Runners Lose To Farmington

The Clarenceville cross-country team held their first practice meet with Farmington Friday, September 21, at Farmington. The following boys participated for Clarenceville: Jerome Chappel, Dunne Roy, Donald Turnbull, Charles Wilson and Leiland Wilcox. Farmington won the meet with Robert Mansfield taking first place. The following boys finished for C. H. S.: Chappel, 7; Wilcox, 8; Roy, 10; Wilson, 11; and Turnbull, 15. There were 23 boys participating in the meet.

Elect Officers

Wednesday, September 12, the freshman class elected class officers for the year. They are as follows: president, Bob Grose; secretary, Joyce Timberlake; and treasurer, Jim Gibbs. The dues will be decided upon at a future meeting. M. C.

Interview New Shop Teacher

Say, kids, have you noticed the new intelligent-looking teachers around your school? For one of them is Mr. "Bud" Protterger, the new shop teacher, is the personality that we have interviewed this week.

He stands 5' 10" and weighs 170 pounds and I mustn't forget to tell you he has a G. I. haircut. But what is really outstanding about our new teacher is his one blue eye and one brown one. He was born in Flint, Michigan, in 1921 and was graduated from Mt. Morris High School.

After attending Northwestern University in 1944, he was taken into the United States Navy for three years. After this he did graduate work at Michigan State College. He is married and has a daughter two years old.

His pet peeve is a dirty shop and as a hobby he loves skiing. Mr. Protterger also teaches general math and will coach cross country and reserve basketball. J. G.

TEACHER SELECTS JOURNALISM STAFF FOR THIS YEAR

The staff of the Journalism class of Clarenceville High School has been selected by the sponsor, Miss M. Cooke, for the coming year of '51-'52. The editor of the Kansas Krier is Annie Allen, a junior who was feature editor last year. The other editors of the paper are: Meribah Meyer, features editor; Nancy McCarville, news editor; Pat Nagle, girls' sports editor; and Walter Christensen and Howard Goers, editor and assistant of boys' sports. Articles and news from our school paper will be printed in three papers this year. They are the Farmington Enterprise, The Journal and the Redford Record. The Journalism class will also sponsor a dance this year, among other activities.

Miss Cooke and the Journalism class would like to extend a warm invitation to any enterprising typing student in either first or sixth hour study hall who would like to give us a hand with typing for the paper. Any applicants will be greatly appreciated. N. M.

Student Council Holds First Meeting

The first Student Council meeting was held Thursday, September 13. The Council elected Barbara Almsworth secretary. They are still in the process of electing their president.

"We all appreciate the fine job the Council did in securing a spectators' bus for the South Lyon football game. The tickets were sold after school by a Council representative. The money will be used to pay the driver of the bus. The same tickets are 40 cents extra. There are 50 new students enrolled this year, making Clarenceville a "Class B" school. G. E.

Seniors Chose Class Officers For Year

On Wednesday, September 12, the senior class of 1952 elected their class officers as follows: Douglas Gault, president; Edward Erdmann, vice president; Gary Rozenboom, secretary; and Maureen Waack, treasurer.

During the class meeting Mr. M. Miller, Clarenceville principal, announced that the seniors could have a school play. The class voted and decided the play will be this fall. The class also has a playette demonstration Wednesday, September 19. L. M.

To Enlarge Band

Mr. Joe Markell is trying to organize a much larger band this year. His recruiting program began last week. Anybody who has played an instrument for approximately one year is eligible for the junior band, which is held during the seventh hour.

This year for the first time the instrumental program will begin in the fifth grade at Central under the direction of Mr. Arthur Mann. As you probably know, our band played at the State Fair on September 8 and won a trophy. The band will also play for all football games. G. S.

Juniors Elect Officers In First Class Meeting

The junior class held their first class meeting Wednesday, September 12, for the purpose of electing class officers. The class officers are as follows: Ralph Gault, president; Howard Goers, vice president; Meribah Meyer, secretary and Donald Knapp, treasurer.

Glyen Evans will fill the position left vacant by Howard Goers on the Student Council. H. G.

The tulip tree attains the greatest height of any Michigan broadleaved tree, frequently reaching 100 feet or more and on occasion 200 feet.

GIVE ELECTION PROCEDURE IN ASSEMBLY

The Student Council of Clarenceville High School held an assembly on September 18. The purpose of the assembly was to instruct the students on the procedure being used to elect a Student Council president. The assembly was opened by Sally Schneider, who explained the purpose and introduced Helen Barnes, who outlined the program for the students.

On Wednesday, September 19, each student had a chance to register to vote in the coming primary election. This registration is also used for the final election for president. The requirements for student council president are: (1) must be a senior, (2) must have a "C" average or better, (3) must have a petition signed by his campaign manager and three witnesses plus 25 members of the student body. N. M.

The homemaking girls have purchased tickets worth one dollar each. Each time a purchase is made on some article needed in this class, the amount is punched on the ticket until the dollar is spent. If the full amount is not used, the rest of the money will be put toward a class party at the end of the year. A. P.
