Two Local Students March in Ferris Band

Two Farmington young people, students at Ferris Institute, were due for numerous excursions this fall, as members of the famous Ferris Marching Band, according to authorities report. They made the first one to DeLancey, Ohio, Saturday for the Ferris - DeLancey football game and on October 6 will march in the big Ferris Homecoming Parade and play at the Ferris - Northern Michigan football game.

Lawrence Gibson plays this trumpet and Pat Bradley plays the drums in the marching band and both also expect to play in the Ferris Concert Band, which Nicholas Salsila, head of the Ferris music department, is reorganizing this year.

Both played in the Farmington High School band before coming to Ferris Institute.

Mr. and Mrs. Angus Leitch are now living at 2370 Farmington Road.

Last year the number of prescriptions filled in this country totaled 390 million. This year, allowing for a normal increase in population the total is expected to reach 400 million as doctors and pharmacists continue their aggressive war against disease.

SPRINGBROOK SCENES

MRS. HOWARD LEGG

Just about everyone we talked to this week has had a touch of the flu but we know of no one who is seriously ill.

Mr. Fred Simpson narrowly escaped serious injury Monday morning when his car was completely demolished after a head-on collision with another automobile on the way home from work at Chrysler Motors.

The spotlight this week certainly was set on parties and showers for the month of October. Saturday afternoon all the neighborhood children gathered to help their young old Dorothy, daughter of Mr. and Mrs. John Gassner, celebrate her birthday.

Mr. and Mrs. J. T. Trueman of Springbrook Drive entertained the thirteen members of their club with a turkey dinner Saturday evening.

Delicate pink and blue are the colors chosen for the boy's room which was held at the home of Mrs. Charles Taylor when approximately twenty-five ladies met to honor Mrs. Vera Taylor with lovely gifts for baby-to-be.

A bridal shower honoring Miss Charlene Ramsey was attended by Mrs. Catherine Courtney, Mrs. Lenore Merrill, Mrs. Barbara Laine and Mrs. Helen Johnson, all of Seven Avenue, at the home of Mrs. Leona Newman in Detroit on Wednesday evening.

Mrs. Ester Heath of Shawnee entertained a house full of ladies on Thursday afternoon at a ceramic demonstration and lunch.

Rev. and Mrs. Ray Johnson and their two young sons of Hazelwood Street, spent Sunday afternoon sightseeing in Windsor. This was Mrs. Johnson's first trip out of the country since she came here from near Cleveland, Ohio.

Mrs. Vincent Kirchner and her three year old daughter Linda have been visiting Mrs. Kirchner's parents in Marysville, Michigan.

Mr. and Mrs. Orlando from Court eight, Main Street, Orono, spent last week visiting with Mr. and Mrs. W. J. Trueman.

Mr. Henry Mahaney and Mr. Howard Legg attended the "game of the year" at Ann Arbor on Saturday between Michigan and Michigan State.

Mr. and Mrs. Robert Becker, who live on the Grand River Cut-off, left Friday night for a week end trip.

A not luck luncheon was arranged on Thursday evening by Mrs. Julie St. James of Springbrook, who was assisted by eleven neighbors in honoring Mrs. Helen Misner at a pink and blue luncheon.

The town of Mrs. Violet Wells is buzzing with excitement and preparation for the forthcoming marriage of her daughter Gertrude to Mr. Thomas St. Dennis, which will take place in a few weeks.

Students Elect Walter Christensen President Of Student Council

The student body of Clarenceville High School elected Walter Christensen Student Council president this year. His opponent was Helen Liles, who gave a great deal of competition. Each candidate had his own campaign manager to help him.

Campaigning for Helen were Ray Wellman, Gary Rozenboom and Roy Grace. Wally's campaign managers were Doug Gault, Tom Hartford and Russell Robitaille.

Wally's qualifications for the job as president were: he is from and living at the election assembly.

Wally was born September 26. They were as follows: he has a C average, good citizenship grades, has been on the Student Council for two years and proved himself to be an excellent representative.

Wally's duties as Council president will be to open and close over all meetings and assemblies, be a representative at all League Council meetings, shall vote only in case of a tie.

HOLD CONTEST TO PROMOTE BOND ISSUE

A contest is being held at Clarenceville High School by the Board of Education to help promote the bond issue. The contest is divided into three parts.

Essay - A student can write a 300 to 500 word essay on why the people should vote "yes" on this issue. Slogan - A student can write a "catchy" jingle or slogan pertaining to this bond issue.

Poster - Any student can participate in this contest by merely drawing a poster with a theme centered around this issue.

The judging of the contest will be a loving cup. Runners-up will be awarded blue ribbons.

The date for the contest is October 11. It is open to all students from the 7 to 12 grades. Each student who enters will be given a number and this will be put on his essay poster or slogan instead of his name so no partiality will be shown in judging. The contest will be judged by the Board of Education.

Seniors Plan Year

The seniors held their third class meeting of the year September 25. Gary Rozenboom handed in his resignation as secretary and Joan Wellman was elected. Committees for the year book, pictures, senior trip, caps and gowns, senior candy and potato roast and the selling of different things such as Christmas cards and stationery were chosen. The senior play is to be held either the second Friday in November or the Tuesday before Thanksgiving.

WAYNE KIWANIS CLUB SPONSORS ASSEMBLY

Thursday, September 20, at 7:00 p.m., a general assembly was held at Holly High School. It was put on by the Wayne County Kiwanis Club.

The meeting was opened by the league president, Ray Gobert, principal of Holly High School. The minutes were read and approved.

All of the representatives from Clarenceville, Clarkston, Holly, Milford and Northville High Schools were present. The representatives were put up into various committees where they discussed matters of general interest. The subjects discussed were: boys' and girls' athletics, student council, music and speech.

The representatives then went back to the general meeting and discussed plans for the rest of the school year. Among the actions approved for the coming year were: Complete athletic activities between the schools; Girls' Playday; Student Council Assemblies and Debate schedules.

Those attending the meeting from Clarenceville were Mr. Max Miller, principal; Miss Mary Ann Richardson, Miss Betty Myers, Mr. Harry McKitterick, and Mr. M. Proestgen. D. K.

Important Notice to Those Who Wish to Heat With Gas

Consumers Power Company has been granted permission by the Michigan Public Service Commission and the Petroleum Administration for Defense to supply gas to 10,000 additional gas house-heating or other space-heating customers.

These 10,000 additional customers will be apportioned fairly among the many cities and villages in which this company supplies gas service.

We want to give everyone an equal opportunity to obtain gas heating service. Accordingly, application blanks will be mailed to every gas customer of the company who is not now using gas for heating purposes.

If you are not a Consumers gas customer at present but live within our gas service area and wish gas heating service, please drop in at the nearest Consumers Office or, if this is not practical, call us by telephone and ask for an application form.

If you are a Consumers gas customer now, your application has been mailed to you.

All applications must be in our hands or in the mail by October 8th, 1951.

If the number of applicants in any area exceeds the number of additional gas heating customers approved for that area, those to receive gas heating service will be selected by lot. Only persons who are able to complete the installation of gas heating equipment within a reasonable time and who live in areas where local gas distribution facilities are adequate to serve them can be considered for gas heating service at this time.

To avoid tying up your money in equipment you may not be able to use, please refrain from buying any gas space-heating equipment until an approved application is returned to you by the company. Then see your dealer.

Service can be supplied only to heating equipment approved by the American Gas Association Testing Laboratory or other nationally recognized inspection board or laboratory.
