ROLLING DOWN THE RIVER

By-Bob Kettler

A salesman friend of ours was hurrying about his business one day when he drove through a light while it was amber and was promptly nabbed by the long arm of the law. A couple of weeks later a sympathetic judge said that such a crime was only half as bad as running a red light, so only fined him half as much—the cost of a top grade automobile. So this salesman, having an expense account of sorts, asked the judge for a receipt. Fifteen minutes later, proceeding cautiously on his way, he came to a sudden stop when an amber light flashed. Not so, however, the car behind him, whose owner promptly wrapped his lovely chrome grille around our friend's rear bumper. The driver leaped out and came roaring up to our salesman. "Why in blue blazes didn't you go through?" he shouted. "You had plenty of time!" Without a word, our friend handed him the receipt he had just received. The driver read it in silence, walked dejectedly toward his car, a beaten man.

Now we don't know where that fellow took his car to have it repaired, but for a truly expert job, he should have brought it here. These mechanics of ours are very good at that sort of thing. As a matter of fact, they're experts at anything it takes to make a car run or look better. Why not bring in your personal transportation and have that motor tuned, tuned and honed to razor sharpness. Be a good idea if you had it completely lubricated too! Oh, yes, this Sunday at 1:45 p.m. tune in the Studebaker TV matinee on Channel 7.

A lady that has been driving Studebakers for years and years tells us that the difference between children that are "full of pep" or "spelled better" usually depends on whether they're your own or belong to the neighbors.

That's that for this week, but we read where the army is sending those rockets higher and higher. If the OPS isn't careful, those guys might accidentally hit the meat ceiling.

Interviews Pupils In Study Hall

As you all have probably noticed there are a lot of new shining faces around Clarenceville. New faces always arouse my curiosity so I decided to ask a few questions.  
As I looked around the half-filled study hall, I noticed two high school girls who were being entered by two young boys in front of them. The girls are Jane Reitz and Anne Beemer, who are from Our Lady of Sorrows. I asked them what they thought of C. H. S. and Jane was the first to answer with "Clarenceville is a lot different than Our Lady of Sorrows because they are altogether different schools." "I like Clarenceville better because it isn't as strict," Ann agreed with Jane.

Dragging my way through a couple of rows, I came to a young man who didn't look too happy. His name is Tim Dargatz. At first I thought it was all one name. He looked very annoyed and corrected me. Tim is from St. Mary's of Redford and in the 11th grade. His opinion of Clarenceville wasn't as good. He likes St. Mary's a wee bit better. Maybe he'll change later on.

As I wandered on, I came across a cute little girl sitting all alone. She is Levisse Wilder from their hills of Ole Kentucky. Pinesville, that is! Levisse likes Clarenceville a lot better than the school she last attended. I wonder why?

Another newcomer is Arnone Goldkrite, who is 17 and in the 11th grade. You all have probably heard Arnone sing. He has a truly beautiful voice.

As I was swinging from the chandelier, I spotted Yvonne Jack, who is from Royal Oak and in the 10th grade. Yvonne likes Clarenceville's subjects better than Royal Oak's. We're glad to hear this, Yvonne. G. E.

STUDENT COUNCIL CHOOSES DANCE DECORATIONS

The Student Council of Clarenceville High School held their first dance of the year on September 27. It was held in the school gymnasium and the name of the dance was the "Kick-Off." The gym was decorated with the school colors of red and gray and the music was provided by the recordio. The chaperones were Miss Meyers, Mr. Dedo and Mr. Markell.

Raymond Dedo Is Teacher Personality Of Week

Our teacher personality for this week is Mr. Raymond Dedo. Mr. Dedo was born at Caspian, Michigan, which is in the Upper Peninsula, in 1920.  
He graduated from Vulcan High School and from there he went to Michigan State Normal College and to the University of Michigan.  
Mr. Dedo is 5' 6", weighs 152 pounds (without shoes, that is), and comes from a family of two boys and two girls.

He spent three and one half years in the United States Army Infantry. He is now married, but they have no children yet. His hobby is "ham" radio, for which he has a license. He says he likes teaching here — he'll learn.

Attempt To Find Adult Education Interest

The Clarenceville Public Schools, with the cooperation of the Parent Teachers Association, are attempting to gather information on the interest of Clarenceville residents. Twenty-one different subjects are offered to the people, and the cost depends upon the enrollment. The possibility of getting people who are willing to act as instructors will also lower the cost.

The state department of public instruction will grant a certificate to teach in certain adult classes even though the person does not have a degree. Remember, the larger the enrollment the lower the cost. L. B.

SENIOR STARLIGHT

For our Hi-Light of this issue we have the vicious personality of Beth Gillespie. Beth is 5'4" tall and has brown eyes and dark brown hair. Her hobby is collecting records of her favorite songs, her latest is that hill billy hit "Detour" by Patti Page. Beth's pet peeve is Miss Cooke's book reports and her favorite color is yellow. Her ambition is to become a nurse, so she can make up for all the harm she's done to this poor-old world. Beth will reach the ripe old age of 18 May 3, 1952. R. E.
