

G. A. A. Holds Regular Meeting November 14

The Clarenceville Girls' Athletic Association held their regular meeting Wednesday, November 14. The president, Joan Melton, opened the meeting. The girls discussed the success of their play-day. They also talked about the volleyball season which starts Tuesday, November 20. All girls in grades 9-12 are asked to come out. All those who are interested in being volleyball manager should hand in their names to Joan Melton. P. P.

A baseball happy gal is still traveling with the club to which she belongs. Yes, Barb Sowers is still battling a pretty high average and really seems to be batty about her position.

GAA PLAYS HOST TO THREE LEAGUE SCHOOLS NOV. 13

On Tuesday, November 13, the Clarenceville G. A. A. played host to three schools in our league. The three were Holly, Mifflin and Northville. Clarkson was also invited, but was unable to attend.

The occasion was a volleyball play-day which was run off in a round robin tournament. After the girls enjoyed the friendly competition of the game, they were guided over to the Homemaking House, where they were served very welcome refreshments.

The girls then watched as Miss Myers, president of the G. A. A. section of the Wayne - Oakland County League, presented a trophy to the captain of Holly's volleyball team because they had won 3 out of 4 games.

This is the first of two tournament playdays that the League G. A. A. will present this year. Clarenceville's G. A. A. was very happy to have been able to present the first play-day in the interest of good sportsmanship and all around leagues.

We sincerely hope that the girls enjoyed themselves and that these playdays will continue throughout the years.

DEER HUNTING SEASON CHANGES SCHOOL LIFE

Clarenceville High School just isn't the same! The boys are gone and the girls are just as sad as they can be. This is the time of the year that all girls dread because their dearest boys are hunting and the girls are never sure just which weekend the boys are hunting; the two-legged or the four.

The deer hunting season began on November 15. This year is proving to be a good one for the hunters. I saw a buck and a bear on the fender of a car the very first day. That's pretty good, don't you think?

Seriously, 18 hunters were killed last year and 45 injured. They were killed by hunters who shoot first and look afterward.

This year hunters were expected to line up at the Strals of Maclellan for five miles, just waiting to get across. This has not happened according to radio reports. So maybe this year the percentage of deaths will go down.

Bringing back the subject of two-legged deer. Girls, I don't think you'll get too much competition. The boys are out for the four-legged ones and when they get one you'll hear about it for the rest of your life. If, by chance, they don't get one, I bet a nickel you'll hear how they missed a beautiful shot.

Clarenceville Junior Class Holds J-Hop

On Saturday, November 10, the Class of 1953 presented their first big school social affair. Yes, it was the J-Hop.

The gym was transformed into a place of beauty, with a sky of blue, palm trees around about and life size murals of dancers setting the scene.

The orchestra with leader Roston Clark was very good. A grand march was led by Ralph Gault, president of the Junior class, and his date, Pat Byrnes. Pictures were taken throughout the dance and will be shown in this year's yearbook.

We feel very contented with the whole affair and hope everyone enjoyed himself as much as the Junior class did.

Joyce Counts plans to be married in January to Bill Bowman of Farmington. Bill is in the Army now, but will be home in January.

Trojan Basketball Squad Starts Practice

Coches Bob Sielko stated that approximately 35 candidates turned out for opening basketball practice Monday, November 5. Among the 35 candidates there are six varsity men returning. They are Jerry Albers, Walter Christensen, John Faler, Russell Robitaille, Elmer Rousseau and Joe Whyte. Mr. Sielko also stated that Ed Bralley, Ed Grimm, Melvin Koch, Clay Robbins, Tom Rutilla and Bob Townsley are promising prospects for this year's team.

Clarenceville's basketball team will open its season against South Lyon Tuesday, December 4, at South Lyon.

THANKSGIVING

Thanksgiving, what does this word mean to you? Do you know the true meaning? Let's take the word apart. It has two syllables: Thanks and giving. Or giving thanks.

Yes, that's the true meaning of Thanksgiving: giving thanks. Giving thanks to God that we live in a free country. Giving thanks to him for just the fact that we can give thanks freely and openly. Thanking him that we are alive and well, thanking him because our beloved ones are fighting to protect us and our country. Thanking him for the many blessings we receive and seldom think about.

Thanking him for all this and more too, and as we thank him let's remember to put in a little prayer for those boys who are fighting. They're fighting for you and me so let's pray for them.

This is what Thanksgiving means to me. What does it mean to you? I hope you too feel this way.

STOP AND THINK

Thanksgiving! A word that I analyzed has a great deal of meaning. But lately people do not go any deeper than the turkey and trimmings that constitute a Thanksgiving dinner. Thanksgiving means to "give thanks". It is actually hard for us to know how much we have to give thanks for because we have nothing to compare our good fortune with. In this country we have in our constitution, among other important things, three inalienable rights of man: life, liberty and the pursuit of happiness. This means we can do what we want with our life whether it be a steel magnate or a factory worker. We have the right to vote for what we please and whom we please and we have the right to do with our lives anything that would further our individual happiness.

When the Pilgrims came to this country, they came with the idea to make a country that would be free and where the people could find equality and happiness. They had a long road ahead of them, toward their goal of a new government, but as we know they fought and strived and finally accomplished their goal. We, the people of today, should be thankful to the brave pioneers who fought in a new country for a government which we are now enjoying. As we know there are many of our loved ones giving thanks in a far-off place called Korea for fighting for their country and the ideals they believe in. We should not let them fight alone. There are ways we can help them and really show our thanks. This Thanksgiving when we sit down to that dinner, think of the many in a far-off land who are risking their lives; and also with our prayers of Thanksgiving to the pilgrims, say a prayer for them.

Farmington Area Gets New Home Service

A new service has been made available to the residents of the Farmington area.

The DU-ALL WINDOW CLEANING COMPANY is furnishing Farmington residents with a complete home maintenance service. In addition to window cleaning, they do paint scraping, floor waxing, wall washing, and hang storm sash and screens as well as clean and paint them.

This handy service is just as near to you as your phone. Just call Market 4-2267 and they will be right over to do the job and do it right.

Jefferson Jottings
By MRS. NORMAN MOORE
21719 Jefferson, Phone 2762-J

Thanksgiving Day once more and besides being a day for turkey and all its trimmings, it is a day to give thanks for all we have. I wish to extend my greetings to all our readers for a happy Thanksgiving Day.

A surprise baby shower was given by Mrs. Arnold Joseph Wednesday evening for Mrs. Max Trudeau. The guests were Mrs. Norma Hoffman, Mrs. Barbara Hoffman, Mrs. Michael Melner, Mrs. Irene Ignash, Mrs. Estelle Sjolund and Mrs. Norman Moore.

Mr. Rosa Moore of Beatrice and Mr. John Acom of Detroit are spending the week up at Beulah, Michigan, deer hunting.

The neighbors and friends of Mrs. Mary Fox, Jefferson Street, wish to express their sympathy on the loss of her son Frank. From reports, he was one of the men on the C-82 that crashed last week.

Alumni News

Another chapter in the life of our alumni. First, we thought you'd like to hear about sweet Wynne Barnes, a graduate of this year, who is planning on getting married in February of '52. Skip Harton presented her with her sparkler just a few weeks ago.

Chuck Westberg, '50, is now stationed in Italy. What the Marines have sent him there for, we'll never know, unless it's because they want this war over faster.

We really have some sad news about Don Johnson, '51. Just as soon as Don got out of school, he joined the Air Force. Scarlet fever was his first run of bad luck, but to top it all off, he got pneumonia right after that. Here's hoping he has a quick recovery.

We had some visitors at school last week, also graduates of '51, who are in the Air Force. Jim Russell and Jim Conway are stationed at Scott Field and Don Jones, who is stationed in St. Louis, Missouri. The two Jims are taking up radio, while Don concentrates on office work.

Bill Acton and Audrey Kennard, a couple who have gone together for quite a while during school and after they graduated in '51, are now engaged. The best of luck is wished for them.

Three Tips from Santa Claus for a Merry Christmas!!!

- TIP ONE**
- You can solve the problem quickly... and inexpensively... when it comes to choosing the RIGHT gift for relatives and friends who pride themselves on keeping well informed. A subscription to The Enterprise is a gift they'll cherish... more than anything you could choose this year.
- TIP TWO**
- When you give a gift of a year's subscription... or more... you'll know it's a gift that's sure to please. It's easy too. Just mail your name and the name of the person to whom you want the paper sent, and we'll do the rest. We will see that an attractive gift card is sent, and that the paper is sent every week for a year, beginning at Christmas time.
- TIP THREE**
- Whether it's your sister, Sweetheart or Mom or Mother-in-law, send The Enterprise. There just is not another way to bring so much pleasure for a whole year!
