**Senior Hi-Lite**

We have a grand surprise for all you Hi-Lite fans this week. We are going to tell you about that nice-looking, well-liked, Lewis W. (the W. stands for William) Zell, born June 23, 1934. We call him "Bo" for short.  
 Bo stands 6' 2" in his bare feet and weighs 169 pounds. His hair is black and kinda wavy and his eyes are big and brown. Bo's pet peeve is boys who don't go out for sports, altho he is one of those boys. He insists he came here to try to try out for them. He came to Clarenceville last year, after attending Wilbur Union, an all-boys school.

Bo's favorite subject is study hall, so he spends that period in the library. His favorite color is brown and "Sit" by Eddy Howard, to dance, and says that it is especially good dance record. For the food item, Bo kinda likes banana splits (who doesn't like banana splits?). His favorite sport is baseball, and the teacher he likes is Mrs. Mumery. For past time, Bo likes dancing with his favorite gal, another senior. After graduation our starite plans on buying a car and asking this certain girl out, unless she's still going steady then.  
 I guess that's all about Bo, because that's all he would tell me. I'll have to let him read this now, and see if it's written the way he wants it. S. S.

Well, if it isn't... Oh! But it is! Hazel Childers, our senior Hi-Lite for this week. Hazel reaches the altitude of 5' 4" and holds down the ground with her 113 pounds.  
 Hazel was born in Salem, South Carolina, in 1934. She has brown hair and blue eyes. She often wears blue, her favorite color, to go with her eyes.  
 Hazel's favorite song is "Down Yonder" by Champ Butler, her favorite vocalist. Sammy Kaye raves top on her orchestra list.  
 Hazel just can't seem to stand people that say "Howdy Hazel!", but aside from that, the world's pretty good to her. She loves art class and plans to be an artist after graduation. In all her 18 years she finds that Beth Gillespie and Mary Acton are her best pals. R. E.

**Editorial**

"Wonder what my mom's getting me for Christmas? Hope it's something nice." This is heard by most everyone or said by most students during this wonderful season. The stores are crowded with people shopping. Santa is up on his stage visiting the little ones. Everyone's rushing around. "Suppose I'd better get Aunt Jane some thing." She'll probably send me some horrible knock-knock like she did last year. How can I stretch this purse to get Uncle Harry something? Oh My!

You'll probably pass some worried shopper stating this. Yes, Christmas has become a time of worry. Worry over money, gifts and crowded stores. A commercialized holiday anniversary of the most beautiful and sacred thing that has ever happened on this earth.  
 Yes, Christmas once was a sacred holiday. People thought of the meaning of Christmas. "God so loved the world, that he gave his only begotten Son that whosoever believeth in Him should not perish, but have everlasting life." This gift was the greatest gift of all and though the human Christ is and will live within us if we let it. This gift of God's is one we all should receive willingly and try to keep and live up to all year long.

When God can give so much, asking for so little in return, can not every one of us remember to give all year around. Yes, give the gift of kindness, charity, friendliness, of love and above all the gift of giving. If we can do this, the world will become a so much better place to live in and we will have learned one great lesson. That of living with mankind. A. A.

**Whippettes Take First Strike In Bowling League**

Strike! Yeah! Yells the Popovers who are leading in team points. Spare! The Pin Balls who are second and what do you know? The Pin Pushers just won another. That puts them in third place.  
 Fighting for top honors in single games are Ann Beemer, Sharon Moreland and Pat Whalen with scores of 130, 120 and 125.

**SOPH VOLLEYBALL SQUAD BREAKS JUNIOR WIN STREAK**

It looks like the big hint, the G. A. A. dropped about the Senior girls the coming out, hit home. Two senior girls showed up after school Tuesday, December 11, for volleyball, and they are really appreciated.  
 Two games were played Tuesday night. The Volley Bonacers played the Bona Puella, both freshman teams. The Bona Puella's won this game by the score of 57 to 22. Carolyn Peaces was high point man with 15 points, and Jeanie Hayes was next with 14 points. Marilyn Wilcox led the scoring for the Volley Bonacers with a total of six points.

The Toasters, the junior team, played the Giggie Gooses, the sophomores. This sophomore team defeated the juniors by the score of 54 to 37. This was the first time in two years the juniors have been defeated. The juniors played a good game but the Sophomores outplayed them by a large margin. Pat Storti was the point scorer for the Giggie Gooses with 11 points. Marilyn Burkla was next with a total of 10. Shirley Marech racked up ten for the Toasters.

We'd like all the senior girls to come out if possible. We don't have a senior team in competition and we know at least some of you could come out every Tuesday evening. Let's try anyhow. B. G.
