At NBD, it's the same low flat closing fee, no matter what size house you buy

At NBD, we have a closing fee that has nothing to do with the size of your mortgage.

Instead, it's one low flat fee. One low flat fee whether you're buying a \$20,000 house. Or a \$100,000 house.

So you might say, the more your mortgage, the more you save at NBD.

Quite possibly save enough to pay for a new chair. A couple of tables. Perhaps even carpet a room.

And when you get your mortgage from NBD, we'll also give you a good estimate of how much your total cost of closing will be - including our fee, insurance, prepaid taxes, everything.

Which means, at NBD, we'll not only save you money on your closing costs. We'll also save you from any unexpected surprises when you sit down to close.

And those are just two of the reasons more people come to us to finance their new home than to any other bank in town. Come see us.
