## HIGHLAND LAKES

### [4 lakes at a time.]

At Highland Lakes, we take the attitude that you can't get too much of a good thing. So we provide you with four lakes to fish in. Lakes to sail on. Lakes to skate on. And lakes and an Olympic size pool to swim in.

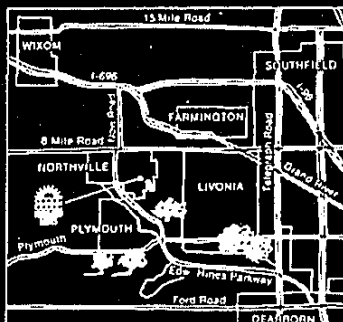

And when you're not having fun on the lakes, you can have fun on the shore. You can play tennis. Have picnics. Go sledding on the hills. Play with your kids in one of the playgrounds. Sniff flowers. Or just sniff all that clean, fresh air be glad you're not living some place else.

That's outside.

At Highland Lakes, the inside is as much fun as the outside. There's Highland House, the community club house. You can work out, take a sauna, play billiards or bridge, throw your own party or catch someone else's, or just sit around the huge, friendly fireplace and pass the time with your neighbors.

That's what all the residents of Highland Lakes share in common. What they don't share in common are their own individual Village Homes.

You might choose a home with beams and cathedral ceilings. Or with a sunken conversation area in the living room. Or with two bedrooms.

Directions: Take Grand River (I-96) to Eight Mile. West on Eight Mile to Highland Lakes entrance, (one mile west of Haggerty Rd.). Or Take I-696 northbound to Novi-Northville\* exit. Left on Novi Road to Eight Mile Road. Left again on Eight Mile Road, approximately 1/2 mile to the Highland Lakes entrance.

Or with three.

And yet each separate Village Home blends well together to give the entire community a flavor all its own. Of old Williamsburg. And each has a basement. And air conditioning and color coordinated kitchen appliances and carpeting. Each with a rear privacy area to plan a patio.

Highland Lake Village Homes are condominiums. That means outside maintenance is taken care of. That means you have more time to enjoy the lakes and the hills and the club house.

And that also means you get all the advantages of owning your own home. Substantial tax deductions. And a probable profit when you sell.
