SC Jazz Class Set At C'ville

Clarenceville, along with Plymouth and Garden City school districts, is cooperating with Schoolcraft College in publishing a directory of classes and recreational opportunities in fall adult education programs. Directories have been mailed to district homes.

A new offering in Clarenceville this fall is a jazz class to be taught by Pete Reckenbeil. Reckenbeil, a local jazz buff, plays saxophone and drums and has played with area bands and was with the Eighth Army Band in Korea.

EMU Extends Registration Dates, Hours

YPSILANTI To facilitate late enrollments for the fall semester, Eastern Michigan University will register undergraduate and graduate students until Sept. 8.

In addition, extended daily office hours to better serve the graduate student will be offered this fall.

The final date for processing admissions and registrations is being extended, according to President Harold E. Sponberg, to accommodate any prospective students -- either new or returning -- who may have missed earlier enrollment deadlines.

The deadline for admitting and registering students will be 5 p.m. on Friday, Sept. 8.

IN A MOVE to aid late-enrolling students in the next two weeks, nine student-oriented campus offices will remain open from 8 a.m. to 5 p.m. weekdays. The normal office hours of 8 a.m. to noon and 1-5 p.m. will be resumed Sept. 11.

Those offices are academic advising, academic records, admissions and financial aids, cashier, counseling center, Graduate School, housing, registration and student accounting.

Five of these offices--academic advising, academic records, admissions and financial aids, Graduate School and housing--will be open from 8 a.m. to noon on the next two Saturdays, Aug. 26 and Sept. 2.

Ones Robbins, Jr., dean of the EMU Graduate School, said that his office will remain open until 6 p.m. weekdays throughout the fall semester. The office opens at 8 a.m. and is closed from noon to 1 p.m.

The additional hour of business was added, Dean Robbins said, because many Graduate School students live off-campus, some even out of the immediate area. Many have regular employment which sometimes makes it difficult to visit the office during normal business hours.

The fall semester at Eastern begins officially with the opening of classes next Monday (Aug. 28).

Howe To Lead March Of Dimes Bike-A-Thon

The fad in bicycling has ignited enthusiasm for the March of Dimes newest event in their efforts to continue the fight against birth defects.

Gordie Howe, campaign chairman for the Metropolitan Chapter of the March of Dimes covering Wayne and Macomb counties, announced that Saturday, Sept. 30, will mark the first annual March of Dimes bike-a-thon.

"The bike-a-thon is a 'natural' for the March of Dimes," said Howe, who will lead the 54-mile trip with his wife, Colleen, and their four children.

"The great popularity of bikes is due to two important factors -- physical fitness and ecology -- and the March of Dimes knows that pollution and the health of the mother both are very relevant in bearing healthy children."

The bike-a-thon will start at Metropolitan Beach between 8 and 9 a.m. on Sept. 30. It is modeled after the successful walk-a-thon which was held last May, with nearly 15,000 walkers raising \$215,000 to aid the March of Dimes in the fight against birth defects.
