

The Groom Is Ruffled...

Not nervous, mind you. Just ruffled. It's the very newest, most elegant idea in formal wedding wear ... a frill or two on a colorful shirt ... a ruffle at the cuffs ... a beautiful butterfly bow tie ... And After Six's exciting new Adventurer coat with a flourish of velvet and braid. Would you believe you can rent all this finery? You can indeed. Just stop in to RIO'S... And let us be your "altar ego."
