## Falcons Nip Glenn

Farmington High opened Inter-Lakes golf competition with a victory over Walled Lake Central and pushed its

overall mark to 4-1 with a non-league triumph over John Glenn.

The Falcons edged Walled Lake at Farmington Country Club, 207-209, with Mike Monson medalist at 37. Don Hunt and Jeff Herman tied for second honors with 42s followed by Rick Pauline and Bruce Conway at 43 each.

FARMINGTON had an easier time with Glenn at Fellow's Creek golf course, 161-174.

Mike Monson was low at 38. Conroy, Hunt, and Bill Lapham rounded out the Falcon attack on identical 41s.

Glenn was paced by Ken and Chuck Schuster at 42; Pollock at 45, and Miller at 44.

CLARENCEVILLE kicked off its campaign in the Wayne-Oakland League at Whispering Willows golf course. The Trojans edged Millford, 184-187. Senior Greg Saareda was medalist at 43.

Other Trojan scores were: Tony Bango, 45; Mark Scharrenberg, 47; and Scott Miller, 49.

Millford was led by Mark Reason and Bob Nelson with 44s; Greg Fortson at 47; and Bob Acree, 52.

## Stevenson Evens-Up

Stevenson opened North Suburban Soccer competition with a 4-0 loss to Bloomfield Lahser but rebounded with a 2-0 triumph over Country Day to stand at 3-0.

The Spartans finished at 4-4-6 last year but Coach Larry Christoff sees a better finish this season, the Spartans third in the eight team league.

Lahser had only three shots on goal in the opening loss with the first goal being kicked in by a Stevenson player and the next three resulting from scrambles in front of the net where goalie Gary Wilkinson had no chance to make a save.

It was a different story offensively in the Country Day match with Stevenson outshooting its opponents, 20-3, with James Doby and Andy Richters scoring goals.

## MSU Awaits Georgia Tech

EAST LANSING

Michigan State hosts Georgia Tech on Saturday, Sept. 23, in an important inter-sectional football game.

It is expected that about 65,000 fans will view the meeting of the two squads. The teams have played each other only once before, that being in 1971, when the Yellow Jackets slipped by the Spartans 10-0 at Atlanta. Game time is 1:30 EST.

Duffy Daugherty, Michigan State's head coach, hopes to even the record by posting a win and is optimistic about his team.

THE YELLOW JACKETS have Eddie McAshan, an excellent passer and a good runner; tight end Mike Oven, who had 33 catches for 361 yards in 1971; tailback Greg Horne and fullback Rob Healy, who rushed for almost

900 yards between them last year. It will be interesting in watching the different offensive attacks, as Georgia Tech will go with the multiple T and Michigan State will use the wishbone.

There are still tickets available which can be purchased at Jenison Field House or at the stadium box office before the game.

**BIG SHADE TREES**

WE MUST REDUCE OUR INVENTORY

Land development now surrounds our 85 acre nursery. We have 3 years more before we will be forced to sell. It takes at least 3 years to clone out a nursery our size with over 30,000 shade trees... many too small to be ready for digging. One more year and they will be ready. However, we have thousands of big trees that are getting bigger and must be sold now. Our problems force us to reduce our inventory NOW.
