Creative solutions for all kinds of problems of the Plymouth Symphony for three, in the tenth at the Interiochen academy, a high school with Symphony for three, in the tenth at the Interiochen academy, a high school with Symphony for three, in the tenth at the Interiochen academy, a high school with subject for a five-week worshop beginning Thursday, Sept. 28, in the continuum Center of Oakland University. Mrs. Barbara Hoffman, Continuum staff member who will conduct the workshop meeting from 10 a.m. to 12:30 pm.m., said it would involve problems 'encountered in the arts, at home, on the job or in organizations."

"Or they may be just those irksome everyday problems hat make us think there must be a better way," she added. "Sometimes new and different approaches to challenges require a deliberate stretching of the inagination, looking at things upside-down, trying new ways of thinking for size, fontaizing, playing around with others.
