Inter-Community Relocation

CHAMBERLAIN TAKES THE TRAUMA OUT OF RELOCATION

Maybe you've moved out of state before, and finding a new home in a strange town in a hurry was pure trauma. Maybe this is your first move—but you've heard all the horror stories about father commuting forever; everything in storage and the whole family in a motel; extra expense, or—worst of all—ending up in the wrong house in the wrong neighborhood at the wrong price just to have someplace to live. This doesn't have to happen to you. Not if you first call Chamberlain.

INTER-COMM

Chamberlain belongs to an exclusive group of Realtors called Inter-Comm (Inter-Community Relocation). This group has one reason for being: to help relocating families move promptly, efficiently and happily. Inter-Comm is composed of Chamberlain and other leading realtors in major metropolitan areas throughout the United States, who cooperate exclusively with one another to take the trauma out of transfers. In addition, Chamberlain has a full time referral director who locates leading realtors in areas that may not have an active Inter-Comm member.

WHAT TO DO

Just call one of our offices as soon as you know you are going to relocate. Tell us the kind of home you want, the kind of area where you want to live, and approximately how much you want to pay for your new home.

WHAT WILL CHAMBERLAIN DO?

We will communicate immediately and directly with the affiliated Inter-Comm Realtor in your home-town-to-be. We know what you want and the Inter-Comm Realtor knows the town where you are going; we talk DIRECTLY, so nothing is lost in translation and interpretation via some middleman. We will make a date with the Inter-Comm Realtor in your new home town to meet you there, with a list of properties which seem to fit your requirements. He will show you as many homes as you wish and continue to work with you until you find THE home for you.

COST

This service costs you nothing, it is just one of the many services available to you when you have Chamberlain managing your real estate needs.

Sound simple . . . and totally shockproof? It is both. Whatever your past experience in relocation, you're in for a new and pleasant one this time. Call today.
