

# Clubs Add Safety And Companionship

Gilbertson. Any additions will have to go on a waiting list first.

But since they got help organizing from other clubs, they are willing to do the same for any new groups interested in organizing. Aid with charters, by-laws and becoming affiliated with the Michigan International Snowmobile Association is offered.

The Livonia club officers are: Bruce Ayers, 14649 Gary Lane,

president; Alex Swanson, 15568 Nola Circle, vice president; and Fred Mengnel, 15021 Houghton, treasurer.

Other clubs in the area, according to the MISA, are the Northville Snowdrifters in Plymouth; the Ford Snowmobile Club in Dearborn; the Holly Hill Hoppers in Holly and the Wayne County Sportsman's Club in Allen Park.

GROOMING snowmobile trails is necessary in some wilderness areas.

## They're here

### Chaparral...

America's fastest growing major snowmobile.

# Stand back!! Little Toro Snow Pup plows like a beast!

This amazing little machine's not much bulkier than a snow shovel, yet it can toss twenty times its own weight in snow every minute—and toss it up to 15 feet!

Toro's Snow Pup® snow thrower has funny-looking squeeze-like paddles that clean deep down and ride smoothly over bumps. Adjustable vanes throw snow left, right or straight ahead.

Just put this 22-pound Snow Pup against a drift and sort of lean on it. Away the snow flies—and fast!

You can clean a 50-foot driveway of 4" snow in about 15 minutes. The Toro® Snow Pup snow thrower is so small it can be stored hanging from a hook. It's so light, your wife can operate it with ease. See the Snow Pup at your nearest Toro dealer today. Check the Yellow Pages for local listings.
