

# MAKE THE HALLOWEEN SCENE A SAFE ONE.

There are dozens of safety rules we could caution you to use during the fun of Halloween. We could tell you about the danger of flammable costumes, dark streets and "treats" that have been tampered with. But, you know about these as well as we do. We only take this opportunity to ask that you remember some of those headlines from past Halloweens and make sure that your child isn't one this year.
