We're Throwing A Monkey Wrench In The Works...

A lot of folks know by now, that Real Estate One means just about every kind of service available when the time comes for you to buy or sell a home.

And, one of those services is our **Palace Guard** protection plan. When you buy a Real Estate One home through us, the Palace Guard people promise, in writing, to repair or replace for one full year in the event of operational failure in normal use or service, any parts of your basic heating system, plumbing system, electrical system, water heater, even your leaky faucet and broken doorbells absolutely free! There is no cost to you.

So when you buy one of these homes, (or others that we can show you) we throw in a monkey wrench, and a hammer, a screw driver, a drill and host of other tools. But, best of all, we also "throw in" a whole staff of professional workmen to use them.

It's all part of making things simpler for you.

Real Estate One.
