All three stores are celebrating with

**STARTING  
FRIDAY AT 10:00 A.M.  
2 MILLION MORE PEOPLE  
HAVE AN UNCLE IN THE  
FURNITURE BUSINESS.**

**1** Now everyone in Detroit can watch the train come right to our warehouse. It comes direct from the manufacturer. And it's loaded with tons of furniture. So we can get manufacturer's discounts, train-load discounts, save transportation costs, save unloading time... and pass along those savings to you!

**2** See 3½ million cubic feet of brand name furniture. Basset, Lane, Broyhill, American of Martinsville, Serta, Introsleep... never have so many distinguished names in furniture been gathered under one roof!

**8** That's the Doore way to buy furniture. Once you try it, you'll never want to buy furniture any other way again.

**7** Or we'll take it home in a truck (if you insist). Just let your salesman know if you want us to take your furniture home for you. It takes a little more time. And a little more money.

**Now everyone in Detroit has an uncle**
