

# Mincemeat Has Many Tasty Uses

By ELLY

Mincemeat was originated back in the days when smoking and drying were the only methods of preserving meat. By cooking the minced meat with spices and fruits there was no danger of spoiling, and ingenious cooks found many uses for the tasty mixture.

Over the years many meatless versions have evolved. A typical mincemeat contains raisins, spices and fruit, usually apples, pears or tomatoes. Sometimes currants, meat, suet, candied fruits, brandy, rum or other liquor are added.

These little nine-ounce packages of condensed mincemeat are very handy items to have on your pantry shelf. Broken into small pieces and reconstituted according to package directions, they produce a good mincemeat. It can be dressed up according to family tastes with lemon juice, orange juice, brandy, rum or sherry. For those who prefer a less tangy flavor, apple sauce, more currants or raisins will "tone it down."

### BAKED PEARS WITH MINCEMEAT

3 firm fresh pears or 6 pear halves (canned variety)  
Lemon juice  
1 1/2 c. mincemeat  
1/2 c. Marsala wine (optional)  
Cut fresh pears in half lengthwise, through stem end. With melon baller or teaspoon, remove cores, leaving stems intact. Sprinkle cut surfaces with lemon juice. Place pear halves in 10-inch pie pan or shallow baking dish and fill pears with mincemeat. Spoon any remaining mincemeat around pears. Carefully pour wine over and around pears. Bake in 350-degree oven 45 to 60 minutes, or until pears are tender. (Canned pears do not require more than 30 minutes in the oven.) Serve slightly warm with sauce from baking dish.

### MINCEMEAT TWIN ROLLS

1 pkg. condensed mincemeat (9 ounces)  
1/2 c. orange juice  
1/2 c. chopped walnuts  
2 (7-oz.) pkg. crescent rolls (refrigerated type)  
2/3 c. sifted confectioners' sugar  
2 to 2 1/2 t. orange juice  
Glaze cherries (optional)  
In a small saucepan, break mincemeat into small pieces. Add one-quarter cup orange juice. Place over medium heat; stir until lumps are broken then boil briskly for one minute. Add chopped walnuts; set aside. Open one package of crescent rolls according to package directions. Unroll in a horizontal rectangle. Separate along the perforated lines into three rectangular sections. Form a verticle triangle by taking each section and lining it up with the other sections along the wider sides. Pinch edges together. Repeat with second package of rolls. Spread half the mincemeat evenly on each rectangle. Roll up from the narrow side. Place each roll in a small 8 by 3 1/2 by 2 1/2-inch loaf pan. Bake in slow, 300-degree oven for about one hour or until crust is golden. Combine confectioners' sugar with enough orange juice for desired spreading consistency. Drizzle over tops of loaves while still warm. If desired, garnish with glaze cherries. Serve warm.

### MINCE CRUMB COFFEE CAKE

1 1/2 c. sifted flour  
2 1/2 t. baking powder  
1/2 t. salt  
1 egg  
3/4 c. softened margarine  
1/2 c. milk  
1 t. vanilla extract  
1 (9-oz.) pkg. condensed mincemeat, chopped fine  
Sift together: flour, baking powder and salt. Beat egg until frothy, then add sugar and margarine. Beat until well blended. Add vanilla and milk. Beat until well blended. Gradually beat in flour; blend well. Fold in chopped mincemeat. Turn into greased 9 by 9 by 2-inch baking pan.  
TOPPING: In small bowl, combine half-cup sugar, quarter-cup flour, quarter-cup softened butter or margarine and one teaspoon cinnamon. Mix until crumbly. Sprinkle over batter. Bake in 375-degree oven 30 to 35 minutes or until cake springs back when lightly touched. Good served warm.
