Constipation, if Neglected, Causes Serious Illness

Constipation, if neglected, leads to almost innumerable complications affecting the general health. Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regard the effects of constipation. C. E. Ayer, 6 Main St., Lowell, Mass., says: "I was afflicted with constipation and biliousness for years, and at times became so bad I would become unconscious. I have been found in that condition many times. Physicians did not seem to be able to do me any good. I would become weak and for days at a time could do no work. Not long ago I got a box of Dr. Miles' Laxative Tablets, and after using them found I had never tried anything that acted in such a mild and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are suffering from habitual constipation and while possibly realizing something of the danger of this condition, do not neglect too long to employ proper curative measures until serious illness often results. The advice of all physicians is, "keep your bowels clean," and it's good advice.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory, your money is returned.

F. H. Nichols and family entertained his brother Clyde Nichols and family and Mr. and Mrs. Burt Norton of Detroit, Sunday. Little Sherwood Nichols, who has been spending a few days with his cousin Hinman returned home with his parents Sunday night.

The Ladies Aid of the M. E. church are to hold an experience social some time in September, and they would be pleased if any or all of the ladies of the church and congregation would each earn \$1.00 come and bring it and tell her experience in earning it.

The Oakland County old pioneers will hold their annual basket picnic at Orchard Lake on Aug. 19th. A fine program consisting of singing, instrumental music, speeches, etc., has been prepared. I am president of the society and will be toast master. All are invited.

D. L. DAVIS
Monday evening, the regular meeting of the Farmington Guild was held at the Town Hall. In spite of the rainy weather a goodly number were in attendance. After a short business meeting refreshments of ice cream and cake were enjoyed, the remainder of the evening was devoted to games and music and most heartily enjoyed by all present.

C. M. Doherty received two nice new operating chairs for the Telephone exchange last week, which will make the work of the ladies in the exchange a trifle more pleasant these warm days. Remember when you are won't to complain of the service, that it is just as warm and uncomfortable in the exchange as elsewhere, and that the operator is not by any means, usually to blame.

W. M. Halfacre, Dexter, Mo., bought Foley Kidney Pills for Mrs. Halfacre, who was down on her back with kidneys so sore he had to help her move. He says, "She would cry with pains across her kidneys, but after she took the second bottle of Foley Kidney Pills, she was as well and strong as ever."
—T. H. McGee.

Change Your Seed Wheat

Sell ten bushels of your common wheat at market price, say 75 cents, making \$7.50. For this sum, \$7.50, we will send you enough of the wonderful Marvelous wheat to sow ten acres.

You're skeptical? We don't blame you! It will cost a stamp or postal card to get the proof how thousands of others in 1913 and 1914 saved money on their seed wheat and grew the greatest crops they ever did.

We quote just a few extracts from hundreds of letters received. The original letters are in file in our office and can be seen by interested people.

Marvelous is far the best in the neighborhood.—L. H. Ootina Co., Mich., 50 to 60 bushels per acre. Beats all.—L. S. Miami Co., Ind. One acre yields 30 old kinds.—W. J. W., Unicoi Co., Tenn. Indeed a marvelous wheat.—G. A. P. Madison Co., Ind. 63½ bu. per acre; fully three times others.—H. B. A., Warrick Co., Ind. Grandest variety ever introduced.—J. H. M., Atchison Co., Kans. It is the stuff for sure. You don't advertise it strong enough.—T. O. S., Jefferson Co., Ind. 100 bu. from one bu. sown.—W. E. G., Preble Co., O. I estimate my 8 acres will thresh 500 bu.—H. B. A., Warrick Co., Ind. Heads 5 to 6 inches; 55 to 100 grains to head, with old kinds only 25 to 30 grains.—J. W. S., Highland Co., O. 10 to 14 bu per acre ahead of other kinds.—A. A. Madison Co., Ill. Yield twice as much as others.—J. S. H., Carroll Co., Mo. Greatest wheat I ever saw.—Mrs. G. C., S. Polk Co., Missouri. Yield double old kinds.—U. S. N. Carter Co., Tenn. Ahead of any other kind I ever saw. Doubles yield.—C. L. P., Richmond Co., O. 55 bu per acre.—C. H., Lincoln Co., N. C. New wheat 40 bu. to acre, others 15 bu. Counted 96 heads from one grain of wheat.—J. R. McH., Stewart Co., Tenn. Yield 50 bu. acre.—W. M. P., Scott Co., Ky.

If you grow winter wheat you owe it to yourself to learn all about this new wheat. It's money saved right now and more bushels of wheat for your next harvest. Whether you sow one acre or many this should interest you more than anything else printed in this paper. Send your order from this advertisement or write today for catalog, photographs, complete letters from growers, etc.
