

# 2 Engineers Join In Firm

Wolf, Wineman & Associates, consulting engineering firm, has opened offices in Southfield at 17670 W. 12 Mile.

The principal partners are Anthony ("Tony") Wolf of Washington State University in 1944 and studied at the University of Pittsburgh Graduate School of Engineering.

He is a registered professional engineer in Michigan, Indiana and the province of Ontario.

Wolf was a senior partner of drawings, specifications, contract administration and supervision of construction.

The professional corporation offices, just east of Southfield Rd., has eight-man capability facilities.

The firm will specialize in mechanical and electrical engineering services for feasibility studies.

Other work includes cost estimates, planning, surveys and reports, construction

## Vision Tests To Be Given

**SOUTHFIELD**

Free vision tests for preschoolers will be given in the South Oakland County Health Dept., 27225 Greenfield at Catalpa, in Southfield on Wednesday, Jan. 24, 9-11 a.m.

The tests will continue on the following Wednesdays: Feb. 7, 21; March 7, 21; April 4, 18; May 2, 16, 30.

Michigan law requires that children entering school for the first time have a vision screening.

The screening is performed by trained vision technicians and Delta Gamma sorority volunteers. Parents will receive the vision reports needed for school entrance.

## Emissions Are Course Topic

**SOUTHFIELD**

A new course, "Control of Emissions" will be offered in the winter evening college semester by the chemistry department at the Lawrence Institute of Technology.

Registration of new students for this and other evening college courses begins Thursday, Jan. 18. The semester starts Monday, Jan. 29.

Classes for "Control of Emissions" will be held Fridays from 6:30 to 8:30 p.m. Dr. Richard E. Margarger,

## Luyckx Names Sales Manager

**SOUTHFIELD**

Lawrence Luyckx has been appointed sales and merchandising manager for Sables Office Furniture Inc., a division of Corman's Gallery of Fine Furniture of Southfield.

Luyckx will be responsible for office interior and design. His background includes four years with the interior design company Walter J. Duncan Associates, Inc. For the past eight years, he has been employed by Silvers, Inc.

## Control of Emissions

L.I.T. dean of academic affairs, says that topics will include basic combustion, instrumentation, the Wankel engine, atmospheric chemistry and others.

Charles Heinen, of Chrysler Corp., is assisting with the selection of topics and guest lecturers.

Among the participants will be Emmett Horton, L.I.T. alumnus and manager of the Wankel engine program at Ford Motor Co.

ANTHONY J. WOLF

SAMUEL T. WINEMAN

## Hospitals Heed Flu

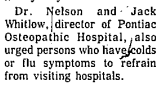

**PONTIAC**

Pontiac General Hospital and Pontiac Osteopathic Hospital are limiting visits to immediate family only effective Friday, Jan. 12, until further notice.

"The recent increase in flu and respiratory ailments is cause for concern on the part of our medical and nursing staffs," said Dr. Roger B. Nelson, executive director of Pontiac General.

"Therefore, in the best interest of our patients, many of whom are especially susceptible to infection, we are restricting privileges to members of the immediate family only."

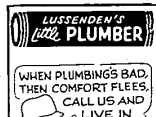

Dr. Nelson and Jack Whitlow, director of Pontiac Osteopathic Hospital, also urged persons who have colds or flu symptoms to refrain from visiting hospitals.
