Devoted to the upbuilding of Farmington and Oakland County

Frederick C. Martindale looks like a pretty safe bet at this time, although he has some heavy competition.

Rumor says that a petition is ready to be circulated for the financial report of the village. Those whom we have talked with seem to favor the petition, and it would certainly receive a big percentage of signers.

Primary day is only a few short days away, practically speaking. Remember it should be the man you vote for and not his party affiliation. It means much to Oakland County to elect good upright, progressive men.

I hope to see the returns from the primary election show that Arthur M. Young, candidate for County Treasurer, has a big majority. He is in every way worthy of the nomination.

It looks like a foregone conclusion that Dan A. McGaffey, will receive the nomination for Register of Deeds. He is one of those men who have strived to fit himself for the office before asking for it. I sincerely hope that the nomination goes to him with a big majority.

Dan A. McGaffey, deputy register of deeds and a candidate for the office of register of deeds, was in town this week calling on old friends. Dan was a resident of Birmingham for many years. The people of this vicinity, regardless of party affiliation, are keenly interested in Dan's success, not only on account of his friendship but also for his qualifications for this office. Mr. McGaffey has utilized his spare hours and evenings for the last five or six years in the study of law, making a special study on real estate law and land titles, which law greatly concerns the office of register of deeds. With his four years experience as deputy register of deeds and his legal knowledge we feel that he is one of the best qualified men that ever asked for a county office.—Birmingham Eclectic.

Battle ships actually hurl these light boys far out on the water—using specially constructed apparatus to light up automatically the instant they fall. They give an intense white light that would show up any craft attempting to enter the circle. These marine lights are similar to the 2,000 candle power Acetylene lights used by fire chiefs in the big cities. Both kinds generate identically the same Acetylene used so extensively for lighting and cooking in country homes.

It does beat all how quickly Foley Cathartic Tablets liven your liver and overcome constipation. New Oldimm, Wumberly, Texas, says "Foley Cathartic Tablets are the best laxative I ever used. They take the place of calomel." Wholesome, stirring and cleansing. No griping. A comfort to stout persons.

## Mr. Martindale is a Vote Getter

Mr. Martindale's popularity and vote getting qualities are shown by the results of the last two general elections, 1910 and 1912.

In the election of 1910 running on the same ticket, Osborn received a majority of 43,053, Martindale 88,824, and Ross 82,606; Mr. Martindale's being 45,671 more than that of Mr. Osborn.

In Wayne County, Mr. Martindale's majority was 5,000 greater than that of Osborn, and in Chippewa county, Osborn's home, he lacked but 273 votes of getting as many as did Mr. Osborn.

In 1912 Mr. Martindale's plurality over his democratic opponent was 55,000 more than Musselman's, and 10,000 more than that of Ross.

In Wayne County, Mr. Martindale's home county, his plurality was 14,000 greater than Musselman's and in Kent county, Musselman's home, it was 2,208 more than Musselman's.

This proves Mr. Martindale to be a remarkable vote-getter.

His nomination for Governor at the primaries would assure the election of the entire State District and County tickets.

Next week Mr. Martindale will write a short plain letter to the voters of Michigan.
