A fine rain visited this section Tuesday afternoon, which was greatly appreciated, as it was the means of a considerable drop in the temperature which had been trying to find out if there was still "room at the top" during several days preceding.

Don't be Bothered With Coughing

Stop it with Foley's Honey and Tar Compound. It spreads a soothing coating as it glides down the throat, and tickling, hoarseness, and nervous hacking, are quickly healed. Children love it — tastes good and no opiates. A man in Texas walked 15 miles to a drug store to get a bottle. Best you can buy for croup and bronchial coughs. Try it. T. H. McGee.
