Devoted to the upbuilding of Farmington and Oakland County

It's not too early to begin planning for election.

To stop an advertisement to save money is like stopping a watch to save time.

Michigan is harvesting an enormous apple crop, and Farmington as usual gets her share.

The increased cost of provisions will have a tendency to revive the ancient custom of visiting.

More and more it is becoming evident that Sherman's definition of war was an insult to hell.

McGaffey for Register of Deeds seems the big favorite in these parts. The right man for the place too.

Republicans and Democrats alike are turning out to welcome Governor Ferris, practically wherever he goes.

And it commences to look as though a lot of even good old dyed in the wool Republican editors wanted to Chase Osborn.

A lot of fellows over here don't know the meaning of the word "dum dum," and a big portion of them aren't particularly anxious to find out.

If the government wants more revenue to keep the wolf from the Star Spangled door step we suggest a tax on politicians. 'Twould be some wad.

The Fort Wayne girl who married a man because he wrote his name on a fresh egg must have been laying for a husband. — Churnbusco, Ind., Truth.

Those fellows who have been predicting that the big war was to be of short duration, are somewhat stumped by the assertion of the czar of Russia that he expects to enter Berlin by January 1.

When one figures it up, there have been a lot of new houses constructed here within the past year, and the prospects are good for a continuance, as there are several residences now under construction. Looks like we're due for a nice building boom next Spring.

Kid gloves are going up, too. We have a perfectly good pair of white kid gloves which we wore at a K. P. banquet about thirty years ago, and will trade them for four pounds of cane sugar. As far as we are concerned, kid gloves can go sky high and stay up there, but for the love of Mike don't elevate wheat cakes. — Manchester, Ia., Press.

Redford News

September was an ideal autumn month.

Joe Dallavo is now driving a Jackson roadster.

Fred Lee, the electrician, took the contract this week to wire and equip the new home of Jos. Schlaff.

Large loads of apple barrels are being hauled through here to the big apple orchards near Farmington.

Mr. and Mrs. A. L. Lamphere and Mr. and Mrs. R. B. Northrop spent a portion of last week visiting at Vassar.

Mr. and Mrs. A. W. Hill and children of Vermontville, Mich., were the guests of Mr and Mrs. Otis Jensen last week.

Mr. and Mrs. Otis Jensen entertained Roy Van Dyke and brother Coy of Detroit and Mr. and Mrs. E. L. Davison and daughter, Sunday.

The old office building formerly used by the Redford Lumber Co. has been moved back into the yards and will be used for other purposes hereafter.

Mrs. W. V. T. Swasey has been entertaining her daughter-in-law, Mrs. Nugent Dodds, who with her little son came down from the up per peninsula for a visit.

A fine seven pound son was added to the family circle of Mr. and Mrs. Walter H. Burt last Sunday night and their many friends are congratulating them accordingly.

It is reported that the William Kennedy farm on Grand River road near the outer belt railroad has been sold to Detroit parties and that the price received was \$2000 an acre.

The trial of Rev. C. S. Loomis, Redford's erstwhile Methodist preacher, at Corunna, upon a serious charge preferred by the husband of a Mrs. Bingham, one of his parishioners, resulted in an acquittal for the minister. He will now have to stand an investigation by a committee appointed by the M. E. conference last week.

Return From Visit on St. Clair

Mr. and Mrs. Geo. Burgess returned the first of the week from their stay of several weeks at the flats, up on the St. Clair river. They had previously spent a portion of the summer at their own resort at Waterford but went to the Flats as guests of Mr. and Mrs. Charles Collins.

They report an enjoyable season and excellent luck at fishing. The writer hereof, along with other friends, can testify to the excellence of the fish for about twenty fine specimens were brought home and distributed among the needy.

Finish Successful Season

Last week closed the season for the Redford base ball team and it was certainly a good season for the fans as well as the team. Under the efficient management of Roy Burgess the town has been given a season of high class base ball and the team has scored victory after victory while pitted against the best amateur and semi professional teams in this section. Further, the boys have had to go up against league players, major leagues, more than once.

The reputation of Redford's ball team is such that no team in this part of the state will tackle when anything is at stake, unless fortified with a professional battery at least.

Positively Masters Croup

Foley's Honey and Tar Compound cuts the thick choking mucus, and clears away the phlegm. Opens up the air passages and stops the hoarse cough. The gasping, strangling fight for breath gives way to quiet breathing and peaceful sleep. Harold Berg, Mass, Mich., writes: "We give Foley's Honey and Tar to our children and it always acts quickly."

Business Man Praises Dr. Miles' Heart Remedy

Successful Merchant After Investigation Found a Remedy That Restored His Health.

"This is Thanksgiving day in the state of Pennsylvania, and I want to devote a part of it to writing a letter to you. On the 25th day of November, 1910, I was stricken with a heart trouble. My family physician called it Angina Pectoris. I had from one to five attacks in 24 hours. In the latter part of December, 1910, I wrote to the Miles Medical Co. for information concerning my case, and in reply I received a very kind and instructive letter, which I handed to my family doctor, and he told me to use your Remedies in connection with the medicine he gave me. I did. I used two bottles of Dr. Miles' Heart Remedy and seven bottles of Dr. Miles' Nervine. I was confined to the house for about four months. The action of my heart is now, and has been normal for the last six months. I can truly recommend Dr. Miles' Nervine and Heart Remedy to do what they are intended for, if used according to directions. I thank you kindly for your advice in answer to my monthly reports. I am now sixty-seven years of age, have been in the meat-candle business for thirty-five years and lived retired for the last thirteen years."
