Devoted to the upbuilding of Farmington and Oakland County

Hon. Patrick Kelly is scheduled for an auto trip over Oakland county soon.

I wonder if they'll be blaming the Democratic administration for the money shortage around Philadelphia since the world series games.

Hon. Patrick Kelly and Chase S. Osborn have made up their old differences and are now campaigning arm in arm, according to press despatches. That won't hurt Osborn any, but on the other hand, is it going to help Kelly?

It's nearly impossible to keep from saying a good word for McGaffey, and Babcock and Young, and giving them a little boost where we can, even if they do look like sure winners, and probably don't need any outside help.

Republican State Publicity headquarters has the nerve to send out press matter asking editors to publish glowing articles about Osborn. After we discovered that on the publicity sheet, it gently made its way toward the waste basket. Neither Osborn's record nor his campaign policies are to our liking, nor will they be on election day.

Governor Ferris is making a thorough campaign of the state, and the enthusiastic manner in which he is being received would indicate that he is quite likely to have votes to spare after the final count early in November. He looks like the logical man for the place. When the auto tax was threatened a few weeks ago, he, a Democratic leader, was one of the very first to send his protest to Washington. He is for Michigan in every sense of the word, and we sincerely hope he will be returned to the governorship, by a big majority.

Rev. Stevenson Locates Here
Rev. E. R. Stevenson, who will fill the pulpit at the local Methodist church during the coming year, moved his family and household goods to the parsonage the latter part of last week, and they are now comfortably settled in their new home.

Rev. Stevenson comes to Farmington from Wayne, where he has been located for the past two years. He is a very interesting speaker, and the church is fortunate in having secured him. The Enterprise joins with the members and friends of the church in welcoming him and his family to our midst.

Buyers to Share in Profits Lower Prices on Ford Cars

Effective from August 1, 1914 to August 1, 1915 and guaranteed against any reduction during that time:

- Touring Car - - \$490
- Runabout - - - 440
- Town Car - - - 690

F. O. B. Detroit, all cars fully equipped. (In the United States of America only)

Further we will be able to obtain the maximum efficiency in our factory production, and the minimum cost in our purchasing and sales departments if we can reach an output of 300,000 cars between the above dates.

And should we reach this production, we agree to pay as the buyer's share from \$40 to \$60 per car (on or about August 1, 1915) to every retail buyer who purchased a new Ford car between August 1, 1914 and August 1, 1915.

"Clean Up the Bowels and Keep Them Clean"

There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force what should be accomplished by persuasion is Dr. Miles' Laxative Tablets. After using them, Mr. A. Waddell, 215 Washington St., Waco, Tex., says:

"Almost all my life I have been troubled with constipation, and have tried many remedies, all of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their chocolate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the bowels and keep them clean" is the advice of all physicians, because they realize the danger resulting from habitual constipation. Do not delay too long, but begin proper curative measures.

Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you. Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory after trial, return the box to your druggist, and he will return your money. Dr. MILES MEDICAL CO., Elkhart, Ind.

Acetylene Ranges For Quick Cooking In Country Kitchens
You housewives in the country who labor over hot stoves cooking big meals for hungry families—how would you like this convenience, which every city woman enjoys?
How would you like to do your cooking on a gas range?
How would you like to turn on your gas with a twist of your wrist—turn it up or down just as hot as you want it?
If you have ever been in a city kitchen you know how much such a range will shorten your cooking hours and relieve you of the trouble and work of handling kindling, coal and ashes.
You also know what pleasure and comfort your household will derive from brilliant Acetylene lights throughout your house and barns. To date this convenience—Acetylene for Lighting—Acetylene for Cooking—has been supplied to over 250,000 country homes.
Pilot Acetylene generators are today the most widely sold light and fuel plants in the world. The Pilot is extremely simple to operate. You simply fill the generator with water and Union Carbide about once a month. The machine then works automatically without further attention.
It feeds the gas it makes—genuine Acetylene—direct to your kitchen range, and to stationary light fixtures, yielding handsome, brilliant, white light throughout your house and all the barns and outbuildings as well.
