### Congratulates Sheriff

Dwight I. Oliver

The following letter from John J. Downey, superintendent of the Detroit police department, to Sheriff Oliver explains itself:

City of Detroit, Department of Police. John Gillespie, Commissioner; Geo. A. Walters, Secretary. Police—John J. Downey, Superintendent. October 17, 1914.

Mr. D. I. Oliver, Sheriff, Pontiac, Michigan.

Dear Mr. Oliver:—  
"Your arrest of John Vultaggio for perjury, who was a witness for Phillip Lacola, in his recent trial for horse stealing in your county, will undoubtedly serve as a warning to this class of criminals, who have been a menace to this section of the state for sometime."

"Yourself and assistants are to be congratulated in having been able to apprehend and secure the conviction of the notorious Lacola for horse-stealing."

"Our department has observed with much satisfaction the splendid success you have met with in unearthing and bringing to justice this class of criminals, who have been a menace not only to Oakland county, but to Wayne and other adjoining counties as well."

"If our department can be of any assistance to you at any time, feel at liberty to call upon us."

"With best wishes for your continued success, I beg to remain  
"Yours very truly,  
J. J. Downey,  
Superintendent of Police."

The Literary Society meets Friday afternoon at 2 o'clock and a good program has been prepared by the committee. Everyone is cordially invited to be present at these meetings. Come and show your interest! The by-laws of the Society will be read also a school paper will be edited.

The Seniors ordered their class rings this week.

Miss Jarvis is still ill and has returned to her home in Ypsilanti. Mrs. Harrison Johnson is substituting this week.

Several candidates were out for first team in basket ball among the boys. A fine team is anticipated by all. The veteran Travis has returned to the game. The "human step-ladder" Gustafson, will prove a great factor in the defensive work. Yell Master Daines is also putting in much valuable time composing new and stirring "yells."

### WILL STRIKE 100,000 MICHIGAN HOMES

ARE YOU AWARE, that if the proposed Amendment to the Constitution of the State of Michigan, to be known as Amendment 10, and to be voted upon on Election Day, November 3, 1914, is adopted, its provisions will strike One Hundred Thousand Michigan homes, and affect the interests of Three Hundred Fifty Thousand Michigan citizens, who are carrying fraternal protection? The citizens of this State must look to the Insurance Department for protection in all insurance matters. The Insurance Department supervises all Insurance Companies, and seeks to keep fraudulent companies out of this State. Let us look to the Department for information in this crisis.

#### READ, BROTHER, AND PONDER WELL

Commissioner Winship, of the Michigan State Insurance Department, says:  
"The adoption of the proposed Amendment would, in my opinion, limit Fraternal Societies to the payment of Death Benefits only, and would destroy State supervision."  
Rufus M. Potts, Superintendent of Insurance for Illinois, says:  
"Permit me to say that I have carefully examined this Amendment and am of the opinion that it is a vicious piece of legislation."  
Judges, eminent Lawyers, numerous Insurance Commissioners, well-known Fraternalists, and Citizens generally, condemn the provisions of the proposed Amendment. Every Fraternal Society, including Railway Organizations, Trade Unions and Commercial Travelers, have taken up arms against the proposed Amendment. If the Fraternal System is to be preserved, THE AMENDMENT MUST BE DEFEATED. Do your part, Brother, at the Polls, Tuesday, Nov. 3.

Light Your House and Barns—Cook Your Meals  
With Home-Made Acetylene

### And Make Your Acetylene With a Pilot Lighting Plant

Pilot plants make Acetylene automatically a little at a time as you use it in your gas cooking stove and in your lights distributed throughout your house, your barns and out-buildings. You simply fill the generator with the gas-producing stone "Union Carbide" and water about once a month.

Pilot plants are approved by The National Board of Fire Insurance Underwriters.

All told, over 250,000 country homes are using Acetylene made the Pilot way.

A complete Pilot plant, consisting of generator, pipes—hand-some light fixtures and gas cook stove, can be installed in any country home in a couple of days' time.

Such a plant is a permanent improvement and will furnish you with the cheapest, safest and most practical light and fuel now available for country home requirements.

Write for our illustrated catalogs and descriptive booklets giving all the facts.
