Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

The only safe and certain cure for deafness is caused by Catarrh that cannot be cured by local Catarrh Cure. Send for circular free.

Oliver has Made Good Sheriff Deserves Second Term

This paper favors the election of Dwight I. Oliver to the office of sheriff of this county. He has served one term. This fact in itself is an argument for his re-election, for the experience he has gained in his first two years of service will be valuable to him if the people wisely return him for the customary second term.

But he has made a good officer—that's the principal reason we favor him for re-election. He has caught the crooks, and his expense bills have been unusually low. He and his force have been on the job every minute since he took the office. His administration from all the reports we can get, has been clean and above suspicion. He is the kind of public servant the great majority of people want. Mr. Oliver believes in the rule of the majority, and he says inasmuch as 20 to 1 desire good order and law enforcement, these are the things he stands committed to.

Every republican voter in the county who knows his record and who believes in law enforcement, will give him enthusiastic support at the November election.

McGaffey a Strong Candidate

It is not often that the people of Holly and vicinity take as deep an interest in the welfare of a political candidate as they are taking in Dan A. McGaffey, republican nominee for the office of Register of Deeds. Dan is a Holly product; he spent the early years of his life in our village; he has that faculty of "making good" with everything he tackles. He has been deputy register for the past few years and has made a close study of law as pertains to this work.

It is not often that a candidate offers the qualifications for an office that Mr. McGaffey possesses. He is a self made man in every respect and has every reason to be proud of his record. For a number of years he lived at Oxford, and the following clipping from the Oxford Leader tells a little about what they think of him over there:

"Mr. McGaffey is an Oakland county boy, born and raised in the village of Holly and has for a number of years resided in Oxford prior to his appointment as Deputy Register of Deeds. He has also been an active republican in Oakland county all his life.

"Dan is a man in the prime of life, honest, painstaking, congenial and especially qualified for the office he seeks."—Ex.
