$1 FREE HEALTH-TONE TREATMENT
Which we want you to test at our expense.

There is a reason why you are thin. Let "Health Tone" overcome this reason. Let us tell you why your food does not fatten you up. "Health Tone" as a Nerve Tonic and Flesh Producer may well be called the medical marvel of the age.

So positive are we that "Health Tone" will fatten you up, fill out the hollows of face and body, put good solid "stay there" flesh on your bones and the vigor and glow of health in your entire form, that we agree to send you our check for five dollars should "Health Tone" fail to produce the results desired.

We want every thin, skinny, sickly person to test this wonderful "Health Tone" remedy and prove to their own satisfaction that it is no longer necessary to remain in the "skin and bone" class, an object of pity and ridicule to all. "Health Tone" is guaranteed to make you fresh up. If it doesn't we will pay you this five dollar forfeit. We simply ask you to test the treatment if you stand in need of it.

Cut out this notice now, mail it to the "Health Tone Co. 99-1st St. Binghamton, N. Y. with 2-2 cent stamps to help pay postage and distribution expenses and you will receive a regular $1.00 ten day treatment of "Health Tone" and an iron-clad agreement to send you our check for five dollars should a full "Health Tone" treatment fail to fatten you up.

You are to be the judge. If this $1.00 treatment benefits you pay us for it, if it does not, we are the losers. Do not fail however to send for it now, at once, if you are below normal in weight and health.
