School Opens Tuesday, Sept. 7th

The Farmington Schools will re-
open for the 1915-1916 season as
per schedule on next Tuesday,
September 7th, when the full corps
of teachers will be on hand.

Monday preceding, being Labor
Day, and a legal holiday the open-
ing of the term is put over until
the following day.

Some rumor gained circulation
in the village the past few days
that the opening had been post-
poned until the 13th, but the same
is without foundation, according to
members of the school board.

Dodge Agency Goes to Ely

Carl Ely, proprietor of the Park
Garage drove out from Detroit
Wednesday afternoon, with a brand
new car of Dodge Brothers manu-
facture, and has just announced
that after a several month's effort
he has secured the agency for the
new car that is breaking sales
records all over the country of cars
in this class.

The car is a beauty, and selling
as it does at the remarkable low
price of \$785, is an agency propo-
sition worthy of effort to secure.

At the price, the car comes fully
equipped.

Coupled with the Ford agency,
the Garage is lined up in great
shape for supplying the car demand
during the coming season, and the
prospects are that all previous
local sales records will be broken.

New Electric Line Probable

A meeting of the Township
board of Southfield Township was
held at the Town Hall last Sat-
urday afternoon to discuss the ad-
visability of granting to Attorney
Frederick McCain of Detroit a
franchise for a new electric line
from Royal Oak to Farmington.

Details are lacking, and nothing
definite will be done until the
latter part of the week, although
it is known that the promoters have
their plans well laid should the
franchise be granted.

A late dispatch received from
Birmingham says: "The South-
field township board will wait a
few days before they decide whether
or not they will grant Attorney
Frederick McCain of Detroit a
franchise for an electric road from
Royal Oak to Farmington. A
meeting of the board will be held
the last of this week to give their
final decision. No date has been
set."

THE YOUNG MAN hesitated to believe
the statement of her little brother that
the young lady was not at home. He
reported the question, at the same time
displaying a quarter. The boy eyed it
longingly and again replied in the nega-
tive.
"But didn't she leave a message for
me?" asked the disappointed youth.
"Yes," said the lad—and nothing
more.
As one who sees a great light, the
young man tossed his coin. "Now,"
he said, "out with the message."

Whole Family Benefited
By Wonderful Remedy

There are many little things to
annoy us, under present conditions
of life. The hurry, hard work,
noise and strain all tell on us and
tend to provoke nervousness and
irritability. We are frequently so
worn out we can neither eat, sleep
nor work with any comfort. We
are out of line with ourselves and
others as well.

A good thing to do under such
circumstances is to take something
like

Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves.
Mrs. J. B. Hartfield, 82 Plum St.,
Atlanta Ga., writes:

"I have on several occasions been
vastly relieved by the use of your medi-
cines, especially the Anti-Pain Pills,
which I keep constantly on hand for
the use of myself, husband and two
sons. Nothing in the world equals them
as a headache remedy. Often I am
enabled by the use of one or two of
the Pills to continue my household
when otherwise I would be to bed. My
husband joins me in my praise of the
Anti-Pain Pills and Nervine."

Dr. Miles' Anti-Pain Pills

are relied upon to relieve pain,
nervousness and irritability in thou-
sands of households. Of proven
merit after twenty years' use, you
can have no reason for being longer
without them.

At all Druggists, 25 doses 25 cents.
