## A Nervous Woman Finds Relief From Suffering.

Women who suffer from extreme nervousness, often endure much suffering before finding any relief. Mrs. Joseph Snyder, of Tiffin, O., had such an experience, regarding which she says:

"Six months I was bedfast with nervous prostration. I had sinking spells, a cold, clammy feeling, could not stand the slightest noise. At times I would almost fly to pieces; stomach very weak. My husband insisted on my taking Dr. Miles' Nervine, and I began to improve before I had finished the first bottle until I was nearly cured."

MRS. JOSEPH SNYDER, 262 Hudson St., Tiffin, Ohio.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nervine has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.

This program contains a short article describing "The Beginning and Extension of the Sunday School" stating among the interesting facts that 80 per cent of the membership of the church comes from the Sunday School. An article on "Our County" states that only 5000 out of a 50,000 population are in average attendance in the Sunday Schools of the county.
