Timely Hint on Over-Eating

Big dinners cause disturbed digestions. The stomach and bowels should not be clogged with undigested poisonous waste matter. Foley Cathartic Tablets relieve distress after eating, stop belching, banish bloating and stop gas on stomach, regulate the bowels, sweeten the stomach and tone up the liver. For sale by T. H. McGee.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remediation. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever. It is not out of tone as caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Ely's Catarrh Cure. Send for circular, free. P. J. CILLEY, & CO., Toledo, Ohio. Sold by Druggists. Use Ely's Family Pills for constipation.
