EXTRA POWER IF YOU WANT IT

Most everybody does in an automobile. Sometimes on a hill. Sometimes in passing the car ahead. Sometimes in mud. Sometimes in sand. Sometimes when you are in a hurry. The 5-passenger 6-30 Chalmers has it plus—extra power. Though rated as 30 it develops well over 45 h. p. The cost for the extra power is nothing.

The quality car at a quantity price—\$1090.

For Tired Women With Aching Heads

"They help me so much, and I find relief as soon as I begin taking your Policy Kidney Pills." Mrs. Frank P. Wood, Merrill, Maine, R. F. D. No. 2. Sometimes it seems as if you can't stand the pain across your back. It is just making your life miserable and robbing you of all energy and strength. When you are constantly tired, head always aching, nerves "on edge," kidney action painful and burning, then is the time to start in at once on Policy Kidney Pills. They strengthen the weak, ailing kidneys, improve their action, enable them to throw off the poisons that cause your trouble. Your nerves grow peaceful, sleep becomes sounder, nervous headaches disappear. As Mrs. Wood says: "I did not feel as soon as I begin to take your Policy Kidney Pills. Be sure you get the genuine Policy Kidney Pills, for they are purely medicinal and contain no harmful drugs."
