CHURCH NOTES

Methodist Church

REV. JAMES PRIESTLEY, MINISTER.
Sunday Dr. Edwin Simpson will be the speaker at the morning service. Dr. Simpson is the Superintendent of the Detroit District of the Anti-Saloon League. He will speak on the subject "What Next in Michigan's Battle Against the Bottle?" This theme is of vital interest at this time.

Shall we see you at Sunday school Sunday morning. There are classes for all; come and join your class. We had a number of new scholars last Sunday. You will want to be among the new ones next Sunday.

Thursday evening prayer meetings are proving of great interest. We want you to enjoy them with us.

Sunday evening the pastor will give a stereoscopic lecture entitled, "The American Indian." The story is of deep interest, and the slides illustrating it are very fine indeed. Come early and get a good seat.

Do not fail to hear the Christmas program that the Sunday school will give in the Town Hall Friday evening, December 22. Come and hear "Foxy Santa," and you will be delighted.

The Woman's Home Missionary society will hold their monthly meeting Wednesday afternoon at the home of Mrs. A. McGee. Mrs. Parish, of Detroit, will be the speaker.

Universalist Church

Rev. W. A. Moore spoke to a large number Sunday who gathered at the church.

The meeting, which was called for 3 p. m., was not opened until 4:00, an hour later, as Rev. Moore was unavoidably detained by duties in the city. However, those who waited to hear him were amply repaid by the splendid discourse he gave on the subject "Home."

Five new members were added to the church membership roll, which all will be pleased to know. It shows that the church is quietly, but firmly pushing on. Others expect to become members also, in the near future, and Rev. Moore was well pleased and expressed himself so in his usual pleasant manner. These meetings are a great help and our misses a great blessing when failing to get out Sunday afternoon to hear Rev. Moore. All are welcome, and next time we hope to have a larger congregation.

Wayne, Michigan, Wayne Hotel, Wednesday, Dec. 20

1916—ONE DAY ONLY

Hours 10 A. M. to 8 P. M.

Remarkable Success of Talented Physician in the Treatment of Chronic Diseases.

Offer Services Free of Charge

The United Doctors Specialist, licensed by the State of Michigan for the treatment of all diseases, including deformities, nervous and chronic diseases of men, women and children, offer to all who call on this trip consultation, examination, advice free, making no charge whatever, except the actual cost of treatment.

All that is asked in return for these valuable services is that every person treated will state the result obtained to their friends and thus prove to the sick and afflicted in every city and locality, that at last treatments have been discovered that are reasonably sure and certain in their effect.

The United Doctors are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, rheumatism, sciatica, tapeworm, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated chronic diseases that have baffled the skill of the family physician, should not fail to call. Deafness often has been cured in sixty days.

According to their system no more operation for appendicitis, gall stones, tumors, goiter, piles, etc., as all cases amply will be treated without operation or hypodermic injection, as they were among the first in America to earn the name of "Bloodless Surgeons," by doing away with the knife, with blood and with all pain in the successful treatment of these dangerous diseases.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit at this time may help you.

Worn out and run-down men or women, no matter what your ailment may be, call, it costs you nothing.

Remember, this free offer for this visit only. Married ladies come with their husbands and minors with their parents. Laboratories, Milwaukee, Wisconsin.
