Gift Suggestions

When purchasing a remembrance at Christmas time, why not buy something useful? The most appreciated gift is one that will be useful and of the greatest length of the most pleasure for the longest time. There can be no more appropriate present than a pair of properly fitted glasses, whether it be for an elderly person, one of the prime of life, or a little child, any of whom are apt to have defective vision. We might also suggest eyeglass cases and chains, reading glasses, lorgnettes, and goggles. We are carrying the finest line of Opera Glasses in the city. The popular makes, including the famous Lorraine, in all lignes in white, oriental and s.m.o.k.d. pearl, and leather will be found here. Prices are always right.
