5 MILE AT NEWBURGH

the business beat

CMP INDUSTRIES' new \$500,000 building will look like this when completed in January. In the Farmington Freeway Industrial Park, the year-old firm designs and manufactures seat belt testing and other testing and diagnostic equipment for the automotive industry.

Realtors Institutes Offered

ROCHESTER Graduate realtors institute I and II are offered in accelerated daytime sessions by Oakland University's division of continuing education just prior to the November state realty examinations. The institutes help to prepare new sales and broker personnel and provide established personnel the opportunity to fulfill educational requirements.

GR I, course number 5314, aids in preparation for the salesman's license examination is Oct. 22-23. GR II, course number 5324, aids in preparation for the broker's examination is Oct. 29-November 1. All sessions are held in the Oakland Center Building on campus in Rochester.

LIVONIA Desoutter, Inc. of Livonia, will exhibit in the Society of Manufacturing Engineers' 1973 New England Tool & Manufacturing Exposition and Engineering Conference at Boston Oct. 10-12. The company will demonstrate its portable air tools, auto feed drills and multi-spindle nutrunner motors. The three-day SME event is expected to attract more than 5,000 manufacturing engineers and executives from throughout New England. A wide range of machine tools and other manufacturing equipment will be exhibited.
