**How You
Can Get
To 'Aide'**

Q. I think my son is on drugs and I don't know how to talk to him, is there someone who can help me right now? E.D., Westland

A. Yes. There are two centers available to you. Livonia Crisis Aide Center, 3310 Five Mile, 261-3760; and Westland Crisis Aide Center, 8068 N. Wayne, 522-3760.

These centers are open Monday through Friday, 9 a.m. to 10 p.m.; Saturday, 9 a.m. to 9 p.m. and Sunday from 7 to 11 p.m.

A parent rap group will start Oct. 9 at the Livonia Crisis Aide Center.

Future rap groups of this nature will be starting as requested by the community. Please call if interested in participating in a new group. Both centers have qualified counselors available to assist you on an individual basis.

Q. Is tobacco a stimulant? M.E., Livonia

A. Tobacco is considered a stimulant - sedative. At this point in time, it is considered that tobacco causes physical and mental dependence, and obviously the potential for organic damage is present.

Government studies indicate that those who smoke are definitely more likely to contract various forms of cancer, cardiovascular damage and emphysema than those who do not smoke.

**Madonna Tops
The 1,000 Mark**

For the first time, Madonna College boasts an enrollment of more than 1,000 students.

In the head count taken the last week in September, there was an increase of 48 per cent over a year ago, and the actual enrollment totaled 1,020.

There were 300 male students and 720 women.

"This is a great day for Madonna," said Sister Mary Lauriana, academic dean. "And I think it can be traced to four factors:

"1. The special attention given to adult students.

"2. Our new program that includes such courses as fire prevention and safety along with criminal justice.

"3. The fact that we have gone co-educational.

"4. Our location, in the center of a growing area."

This is the second year of the co-educational program, and the results have been more successful than anticipated.

"The larger enrollment also is an endorsement of our new programs that have been attracting attention," Sister Lauriana explained, "and we are all so happy about it."
