Center Holds Open House

The Plymouth Center for Human Development will hold an open house on its growth and development program Sunday, Nov. 4, from 3 to 5:30 p.m.

The center for retarded youths is located at 15480 Sheldon, Northville Township.

Professionals and para-professionals from the center's staff will explain various parts of the program including dining skills training, motor and perceptual programs and pre-sheltered workshops.

A tour of the institution begins at 3 p.m. with stops for various training segments.

Statewide Tax Forum Is Set

A statewide meeting of Certified Public Accountants and tax administrators will be held Monday, Nov. 5 in Detroit's Rackham Building.

Attorneys, CPA's and tax officials representing the state will be on the forum's program including Atty. Paul Lieberman and CPA Kenneth I. Shevin, both of Southfield.

College Bucks Industry Zoning

For the second time in four years, officials at Schoolcraft College have joined in a protest of the master plan of Northville Township that

would establish 690 acres on the west side of Haggerty Road as a corridor for light industry.

The plan this time, according to Thomas Murdock, leader of a Northville Township delegation appearing before the Schoolcraft board, calls for a research and development center.

"In reality," he informed the board, "this research and development means light industry, and manufacturing. And it is supposed to be a

barrier to prevent multiple dwelling projects."

Inasmuch as this land is right across Haggerty Road from the college and extends down to Five Mile Road, college officials re-affirmed the opposition first voiced in 1969.

The land in question involves the Dun Rovin golf course.

The Schoolcraft protest will be heard at a meeting of the township planning commission.

OCC Lecture Will Explain Stock Terms

Terms like highs, lows, up $\frac{1}{4}$, down $\frac{1}{4}$, Dow Jones, mutual funds, participating, convertible and other stock-related language will be explained in a lecture on the Orchard Ridge campus of Oakland Community College in Farmington Hills on Tuesday, Nov. 6.

Herman Schwartz, assistant vice president of the First of Michigan Stock Brokers Corp., will attempt to explain the puzzling phrases to the personal finance class.

The public also is invited to the lecture at 7 p.m. in Room 212 of D building on the campus, Orchard Lake Rd. and I-696.

Schwartz will discuss stocks and bonds and answer questions.

OCC To Host WSU Debate

The Orchard Ridge campus of Oakland Community College will host a Wayne State University Debate Day on Monday, Nov. 5, at 11 a.m. on the Farmington Hills campus, Orchard Lake Rd. and I-696.

The public is invited to view the debate on the subject "Resolved that the federal government should control the supply and utilization of energy in the United States." It will be held in Room 104 of L building.

The 50-minute debate will be judged and a winning team announced. The audience will participate in evaluating the teams. Vivian Dicks, WSU assistant director of debate, has coordinated the program.

PLAIN TALK About The FUEL SHORTAGE!

When I first introduced Flex-O-Glass in 1924, I could never imagine that 50 years later America would be faced with a serious fuel shortage—in which Flex-O-Glass would be such an economical way of helping millions of homes stay warmer this winter. Flex-O-Glass saves both fuel and money. Homes protected against winter wind and zero weather with Warp's Flex-O-Glass can actually save up to 40% on fuel costs.

Make Winter-Tight, Draft-Free Windows, Doors, Porches and Breezeways

Warp's CRYSTAL-CLEAR FLEXIBLE PLASTIC FLEX-O-GLASS®

EASY TO INSTALL

Just Cut FLEX-O-GLASS to Size and Tack Over Screens

More heat is lost through windows than from any other part of the house. In fact a $\frac{1}{8}$ " crack around a standard size 3 ft. by 6 ft. window equals a 5 inch square hole in the glass. That's why it pays to seal drafty windows by covering them with Warp's Flex-O-Glass.

FLEX-O-GLASS is the ONLY Plastic Window Material GUARANTEED FOR 2 FULL YEARS!
