Mrs. Williams has new post

Barbara Williams of Livonia has been appointed community relations director at WNIC AM/FM radio in Dearborn. Since joining the station in 1967, Mrs. Williams has held several positions including programming and administrative assistant.

OZZIE J. PIUNTI of Woods Drive, Livonia, has been appointed sales and merchandising manager for the Michigan division of Allied Supermarkets Inc. Piunti, who joined Allied in 1967 as a store manager, has held several other positions and has been procurement manager for the Michigan division since September. He began his supermarket career in 1941 as a stock clerk when he was 14 years old. A native of Chicago Heights, Piunti holds a business administration degree from the University of Illinois.

Education seminar set

The Detroit extension of the University of Michigan will hold an information seminar on advanced degrees in education on Wednesday, Jan. 9, at 60 Farnsworth, Detroit.

Frederick Bertolaet, acting dean of the School of Education, will direct the session which will emphasize master's degree programs. Dr. Leonard Sain will speak on urban education master's programs and Lawrence Berlin, course program director of the extension service, will attend.

The seminar is designed to acquaint area educators and other interested persons with course offerings, entrance requirements and specific programs available in Detroit. Registration for the winter term continues through Jan. 25. Persons who plan to attend should contact Dr. Julius Brown and or Sharon Adams at the center.

Schools disregard DST

Observerland school children remained on the same starting hours as Daylight Saving Time went into effect Monday.

Parks plan nature walks

Special once-a-month guided winter nature walks on Sunday mornings are scheduled at the nature study areas of Stony Creek Metropolitan Park near U.S. and Kensington Metropark near Milford.

Families and individuals should meet the park naturalists at the above nature centers on Sunday, Jan. 13 or Sunday, Feb. 17 at 9 a.m.

Thomas Smith, chief naturalist of the Huron-Clinton Metropolitan (Park) Authority said that walks will last from 1 1/2 to two hours and advises persons to dress according to the weather and to wear warm, sturdy boots.

Planned for those who enjoy the quiet solitude of the cold, crisp early morning. HCLMA naturalists will emphasize winter themes such as identifying animal tracks in the snow, recognition of plants by their winter characteristics and observing how various animals meet survival problems in the winter.

Confusion of changing both class and bus schedules was cited as the main reason for sticking to established hours.

One administrator said it would take about a week to figure out such revisions.

Supt. Joseph J. Rzepka of the South Redford School District commented that changing starting times would be especially disruptive to special programs, such as co-op.

Revision of starting times would create problems for both working parents and working students, according to Wayne Westland Supt. Timothy Dyer.

Moving up school-starting time an hour could leave youngsters at home without parents who would have left for their jobs, he said.

Insurance FACTS

by Robert H. Bergstrom, CPCU

Insurance companies send their loss prevention engineers to every large commercial operation they cover. These engineers advise policyholders about how to avoid or reduce the number of fires and accidents on the property. In fact, often insurance engineers are asked to consult with the company's architect before the property is built, in order to suggest safe, accident-preventive means of construction.

Prevent losses with insurance from BERGSTROM INSURANCE AGENCY, 29700 Orchard Lake Rd., Farmington Hills, 48334-0000. Our staff of qualified agents have been serving the area with all types of insurance for personal and commercial accounts. For professional guidance and sound judgment on any problem in the insurance field, call BERGSTROM INSURANCE AGENCY. Start the new year right by dealing with a complete insurance service facility. Open Mon.-Fri. 9-5, other times by appointment; liberal financing.

INSURANCE FACT: Liability insurance protects you against the losses of others.
