**Applegate.**  
**For people who don't enjoy being part of the crowd.**  
Realizing you wanted to get away from the roar of the crowd, we built a cozy, serene condominium village in a picturesque apple orchard. And we called it Applegate. It's small, with less than two hundred families, and snug enough to help you forget how crowded the world really is. With trees and wide expanses of green that make you feel close to nature.  
But we offer you more than nature at its best. We provide all the facilities of the larger condominiums. Except that because you have fewer neighbors, you enjoy them more. So our heated swimming pool seems more private. Our shuffleboard area and two all-weather tennis courts more available. And our clubhouse has a more relaxed atmosphere. Which makes it easier to make friends in our cheerful fireplace lounge, game room or snack bar.  
In one way, we're a lot bigger than many bigger condominium developments. All our houses are spacious townhouses. Built with two or three bedrooms and features you'd expect to pay a lot more for. Full dining room. Breakfast room. Family room. Central air-conditioning. 7-foot walk-in closets. Balconies and fenced in patio areas.  
We're also big on all the benefits of home ownership. Tax savings, equity build-up and hedge against inflation. Plus a professional maintenance staff to take care of everything.  
How far do you have to go to taste the good life at Applegate? Only 35 minutes from downtown Detroit. So come now and take your pick.
