*SYNOPSIS OF MINUTES Board of Education Livonia Public Schools Regular Meeting February 4, 1974

*The following is a summary, in synopsis form, of the Board of Education's regular meeting of February 4, 1974. The full text of the minutes is on file in the office of the Superintendent, 15125 Farmington Road, and in the principal's office of each school, and is available to the public on request.

President Brown convened the meeting at 8:08 p.m. Members present: Charles Akey, William Brown, Geraldine Joyner, Marvin Pridgeon, Mark Scarr, Martin Seitz, Constance Hierta (8:37 p.m.). Members absent: None

Communications were acknowledged as follows: MASB/MASA questionnaire regarding Michigan Public Employee Relations Act; letter and resolution from Haslett Public Schools regarding Daylight Savings Time; letter from Monroe PTA regarding building improvement; letters from Wilson PTA and Eisenhower parent regarding school starting times; proposal from a citizen for new course offering; communication from Bentley Student Council; complaint alleging a school bus had run out of gas. (No bus had run out of gas; the complaint resulted from misinformation from a student.)

Approval of Minutes: The minutes and synopsis of the regular meeting, January 21, 1974, were approved as written.

Energy Crisis: Oil and gas supplies continue to be adequate. The Mandatory Allocation Act requires that gasoline companies revert to their 1972 customer list. The school district has received unofficial word that Union Oil, which was the 1972 supplier, will take over the contract from Gulf Oil. Union's price is an additional 4-cents a gallon. Mr. Pridgeon wished to pursue the matter and asked for copies of any correspondence that is received.

Extension of Schedules: The Superintendent recommended extension of current school schedules for an additional five-week period and asked for continued flexibility in dealing with schedule-related problems experienced by students. Mr. Pridgeon suggested the current schedules be continued for the rest of the school year. Mr. Scarr felt the district should return to normal schedules as soon as possible, although he felt an extension is warranted. Mr. Seitz felt that when darkness is no longer a factor the schedules should be returned to normal. Mrs. Joyner agreed with the recommended extension. She said she had been asked to speak on behalf of the Bentley students who have been concerned with the problem and have worked closely with their administrators. The students thoroughly understand the situation and are willing to be inconvenienced for the sake of younger children's safety. They have asked that there be good communication in all high schools with administrators, teachers, and students to solve individual problems.

Resolution by Joyner and Seitz that the present starting and dismissal times of the Livonia Public Schools be continued until March 11, 1974, at which time the matter will be reviewed again by the Superintendent. Ayes: Akey, Brown, Joyner, Pridgeon, Scarr. Nays: None

Bills for Payment: Resolution by Joyner and Pridgeon to approve for payment General Fund checks, Nos. 40694 through 41183, in the amount of $1,583,450.09. Ayes: Akey, Brown, Joyner, Pridgeon, Scarr, Seitz. Nays: None

Bills for Payment: Resolution by Pridgeon and Seitz to approve for payment Building and Site Fund checks, Nos. 27119 through 27259, in the amount of $48,314.63. Ayes: Akey, Brown, Joyner, Pridgeon, Scarr, Seitz. Nays: None

Election Workers: The Superintendent recommended that pay rates for election workers be increased. The Board Secretary made a survey of pay rates in other school districts, which indicated the Livonia district's rates are below average. Resolution by Joyner and Brown (for discussion purposes) that the Board authorize an adjustment in election workers' pay as follows: chairmen, $32.00; inspectors, $28.00; absent voter counting board, $3.00 per hour. Ayes: Joyner, Hierta. Nays: Akey, Brown, Pridgeon, Scarr, Seitz. Motion failed.

Election Resolution: Resolution by Hierta and Pridgeon to place on the ballot of the March 11, 1974, election the questions of increasing the tax rate limitation by seven and one-half mills for ten years, from 1974 to 1983, both inclusive, for operating purposes, and by three-fourths mill for the year 1974 for general maintenance purposes. The resolution also listed election workers and alternates and established the form for notice of special election. Ayes: Akey, Brown, Hierta, Joyner, Pridgeon, Scarr. Nays: Seitz, who read a statement in which he said a remark had been made which indicated that if he didn't vote for millage he was, in effect, not willing to work for the students of the school district. He said that each Board member, in his own way, is working for students, and that because he doesn't kneel to the rule of the majority doesn't mean he is against boys and girls. He said concerns he voiced previously on declining enrollments, reckless school building construction and excessive influence of special interest groups are now a reality and suggest he has been right more than wrong.

3/4 Mill Proposal: Resolution by Pridgeon and Akey that the 3/4 mill for general maintenance purposes be earmarked for: textbooks and supplemental teaching material; boilers; roof repairs; athletic fields, grounds, and equipment; and replacement of equipment. Ayes: Akey, Brown, Hierta, Joyner, Pridgeon, Scarr. Nays: Seitz

Retirement Resolution: Resolution offered by Mrs. Joyner and unanimously adopted by the Board expressing appreciation to Mr. Lee Ebeman, head custodian at Madison School, for his outstanding service and offering best wishes for his retirement.

Recess: The Board recessed from 9 to 9:20 p.m., to discuss a personnel matter.

Leaves and Resignations: Resolution by Joyner and Seitz to approve resignation of Jean Springer; grant leaves of absence to Deborah Brown, Karen Darkow, Keith Geiger, Wyleen Kaspryk, Lillian Prindle, Nancy Sekulich, Zina Kangelaris (extension); and accept the resignation of Sharon-Steinhelper with the proviso that she make restitution to the school district in compliance with the policies governing sabbatical leave commitments. Ayes: Akey, Brown, Hierta, Joyner, Pridgeon, Scarr, Seitz. Nays: None

Approval of Teacher: Resolution by Joyner and Hierta to offer a 1973-74 contract, according to salary schedule, to Robert Dietiker. Ayes: Akey, Brown, Hierta, Joyner, Pridgeon, Scarr, Seitz. Nays: None

Approval of Teacher: Resolution by Joyner and Hierta to offer a 1973-74 contract, according to salary schedule, to Robert Dietiker. Ayes: Akey, Brown, Hierta, Joyner, Pridgeon, Scarr, Seitz. Nays: None

Acting Asst. Principal, Emerson: Resolution by Pridgeon and Seitz to appoint David Watson as half-time acting assistant principal of Emerson Junior High School effective the remainder of the 1973-74 school year. Ayes: Akey, Brown, Hierta, Joyner, Pridgeon, Scarr, Seitz. Nays: None

LEA/Board Committee: Mrs. Hierta and Mrs. Joyner were reappointed to serve on the LEA/Board Professional Study Committee. Mr. Scarr, who served on the Subcommittee to Study Pupil Progress Reporting, will be kept apprised of the continuing work of the committee.

Reporting to Parents: One of the top priorities of the LEA/Board Professional Study Committee is a complete study of pupil progress reporting. The PSC has charged its subcommittee to formulate specific recommendations for elementary, junior high and senior high reporting processes by the end of the 1973-74 school year. Mrs. Hierta said she had heard concern expressed by parents of secondary students that they were not receiving report cards that have been sent home with students. She asked for Board discussion of whether or not the district can afford to mail all report cards directly to parents. Other questions were raised and the Superintendent was asked to report the procedures used in secondary schools for dissemination of report cards.

Stevenson Career Exploration Program: Resolution by Joyner and Scarr to allocate three-fifths of a position to enable Stevenson High School to pursue their goal for a career Exploration Program for second semester, 1973-74. Ayes: Akey, Brown, Hierta, Joyner, Scarr. Nays: Seitz, Pridgeon, who felt that the Board had an obligation to meet its $200,000 debt payment before approving this type of program.

Girls' Athletics: At the meeting of Board representatives and students concerned about the girls' athletic program, it was agreed the students would send a further written communication to the Board. This has not yet been received. The Superintendent has scheduled a meeting with girls' athletic coaches on February 6 and will report back to the Board. Mrs. Hierta felt the hiring practices relative to extra-duty pay should be more specific in terms of procedure when no one on the staff of a particular school applies for an extra-duty position. President Brown asked the Superintendent to formulate recommended written policies for the Board's consideration.

C.O.T. Program: The Superintendent reported that new State guidelines for cooperative occupational training programs will require additional courses relative to the area in which a co-op student is working. In order to continue to receive reimbursement, the Livonia district would have to expend $100,000 to meet State requirements. Mr. Upton said the district already provides a good program and it is felt the new guidelines are unreasonable. He said the matter has been discussed with the State Deputy Superintendent, who will take it under advisement and report back within two weeks. It was agreed the Board will wait until hearing from the State Deputy Superintendent before taking any action to pursue the matter, possibly through State Board of Education channels.

WCISD Budget Hearing: Unless Board members have objections or particular questions, the delegate to the Wayne County School District's 1974-75 budget hearing will use his own judment relative to voting.

Preliminary Report, Boundary Problems: The Board received a preliminary report concerning enrollment problems and possible boundary changes for consideration. It was stressed that absolutely no commitments have been made relative to any possible changes. The preliminary report included possibilities for consideration in the Franklin-Churchill, Ford-Lowell-Whittier, Eisenhower-Perrinville, and Taylor-Marshall attendance areas. A further report will be made to the Board including numbers of students by quarter section.

Adjournment: President Brown adjourned the meeting at 10:45 p.m.

Northville Township, Sumpter Township, City of Romulus and VanBuren Township Re: Opposition to Public Act No. 31, increasing the time from five (5) to seven (7) days after a City, Village, Township or County requires a cat or dog at its pound or shelter before animal may be disposed of or sold. Mrs. Richardson explained that it is a hardship on Parkway Clinic to house animals for the required length of time, as well as a financial burden to the municipalities, and her feeling was that there was not really a necessity to increase the length of time; anyone should be able to contact the shelter and remove their animal within five days. There had already been a change in the law to cover the weekend by increasing the stay time from three days to five days, and it seemed five days should be sufficient time, therefore, she moved approval of a Resolution opposing Public Act N-31. Supported by Frank Millington. Resolution declared adopted.

Floyd M. Underwood, Council Secretary for City of Warren, also City of St. Clair Shores. Re: Petitioning the State of Michigan to place the Detroit Metro Water Department under the jurisdiction of the Michigan Public Service Commission. Mrs. Holmes said in all her dealings with the Detroit Water Board they had never been unfair, and she thought it was better to leave well enough alone. If there ever is reason to be unhappy with their services or rates, then would be the time to make a change. Therefore, she moved to receive and file the Resolution. Supported by Mr. Millington and carried unanimously. Mr. Burke moved to adjourn the meeting, supported by Mr. Millington.
Supervisor McLaren adjourned the meeting at 10:20 P.M.
